Adventures Buster Bear Thornton Burgess:

The Adventures of Buster Bear Thornton W. Burgess, 2018-03-06 The Adventures of Buster Bear introduces a new generation of children to Thornton W. Burgess's long beloved Bedtime Stories characters. Buster Bear is new to the Green Forest and because he is so big and his appetite is also so big, he's having some trouble making new friends. But there are always interesting stories about meeting the new folks in the neighborhood. Is a nice fat trout a good present for a new friend? Can someone as big as Buster be afraid of Farmer Brown's boy? How can a little tin pail cause any trouble? Children have laughed at the antics and adventures of the residents of the Green Meadows for five generations. And while laughing, they're learning something about the natural world and maybe something about themselves. A dedicated naturalist, Burgess imbues his stories with the good humor, imagination, and fun animal antics that all children will enjoy reading during story time. These essential childhood classic stories also feature the original black and white illustrations by Harrison Cady, lending this edition a vintage feel.

These and other entertaining escapades are delightfully recounted in this engaging tale. Set in a timeless world of bubbling brooks, blue skies, and green groves, the story also teaches valuable lessons on the dangers of greed, pride, and insensitivity. out the Black Shadows Once more he yawned and slowly got to his feet and shook himself Then he walked over to a big pine tree stood up on his hind legs reached as high up on the trunk of the tree as he could and scratched the bark with his great claws After that he yawned until it seemed as if his jaws would crack and then sat down to think what he wanted for breakfast While he sat there trying to make up his mind what would taste best he was listening to the sounds that told of the waking of all the little people who live in the Green Forest He heard Sammy Jay way off in the distance screaming Thief Thief and grinned I wonder thought Buster if some one has stolen Sammy s breakfast or if he has stolen the breakfast of some one else Probably he is the thief himself
