Adventures In A Tv Nation:

Adventures in a TV Nation Michael Moore, Kathleen Glynn, 1998-10-07 Based on an American television show of the same name it brims with Michael Moore's special brand of subversive humour that melds outright silliness with poignant realisation From the oh so obvious Serial Killer Next Door who's ignored by his neighbours to Mike enjoying some quality time with Dr Kevorkian to raising money for Charles Keating this is a compilation of classic TV Nation that'll make you laugh and think at the same time This book is a must read for anyone and everyone Adventures in a TV Nation Michael Moore, Kathleen R. Glynn, 1998 **The Best of TV Nation** Michael Moore, Kathleen Glynn, 1997-05-01 Imagine waking up the CEO of a car alarm company with the sound of a dozen car alarms going off outside his home sending someone in a chicken suit to volunteer his crime fighting abilities to local authorities hiring a chorus line to sing songs of tolerance to the KKK Michael Moore creator and host of the Emmy Award winning TV Nation series did all that and a lot more Daring to turn this country on its ear with outrageous irreverent stunts Moore went in search of his own brand of gentle justice In *Adventures in a TV Nation* he recounts some of the show's most memorable episodes including the CEO Challenge sure they can run huge corporations but can the CEO of Phillip Morris roll a cigarette has Baron Hilton ever made a bed can the Chairman of Citibank use an ATM Moore and Company set out to see if your average CEO really knows his product Also included on this audio are some of the ones that kissed the cutting room floor Though TV Nation got a lot of leeway there were some subjects the networks felt were too racy to air like the man in search of small sized condoms a re enactment of the LA Riots if Civil War fanatics do it why can't we and a where are they now segment on the key players in the Savings and Loan Scandal Always willing to question authority confront ignorance and lampoon societal mores Michael Moore Kathleen Glynn and the TV Nation team will have you in stitches as they careen down the highways of America trying to make it a better and a funnier place to live **Hurra Amerika!** Michael Moore, Kathleen Glynn, 2005 **Michael Moore** Emily Schultz, 2005-10-03 Michael Moore's life story from shy Eagle Scout to vocal critic of the Bush presidency is told in this biography In depth research and interviews sort lies from truth and reveal both the passionate and cranky sides of this bestselling author and Academy Award winning filmmaker **Noam Chomsky** Alison Edgley, 2016-04-29 Exploring the key debates surrounding human nature epistemology the nature of social knowledge foreign policy the Propaganda Model the anarchist tradition and the revolutionary transformation of society this book reveals and explains the structure and power of Chomsky's work You Can't Air That David S. Silverman, 2022-09-01 Broadcast television's presentation of controversial material to a mainstream American audience is no less an issue today than it was in the 1940s Programming content has always been a product of the interests and motives of network executives advertisers and regulatory agencies In this illuminating book David S Silverman assesses four controversial television series from the perspective of media history examining the censorship present at all networks and the political and intellectual inertia it produces in broadcast television

Beginning with The Smothers Brothers Comedy Hour from the sixties the author analyzes the split between the comic team and CBS over remarks they made on the Vietnam War and religion He also examines The Richard Pryor Show of the seventies which raised strong questions about network meddling over racial issues Among recent personalities he discusses activist Michael Moore whose frank political views wreaked havoc for NBC and Fox in the mid nineties and Bill Maher whose candid thoughts on 9 11 led ABC to terminate Politically Incorrect Drawing on firsthand accounts by the writers producers and performers of these programs Silverman offers an unbiased view of the ways in which censorship sponsor intimidation regulation and network tampering forced American broadcasters to manipulate creative talent and stifle genuine controversy Shedding new light on the prevalence of censorship in broadcast television this book helps to reinvigorate the subject of free speech in American society *Michael Moore* Matthew Bernstein,2010 Indispensable perspectives on America s top documentary filmmaker and political commentator *Entertaining Politics* Jeffrey P. Jones,2010-12-28 In this completely revised and updated edition including eight new chapters Jeffrey Jones charts the evolution and maturation of political entertainment television by examining The Daily Show with Jon Stewart The Colbert Report Politically Incorrect Real Time with Bill Maher and Michael Moore s TV Nation and The Awful Truth This volume investigates how and why these shows have been central locations for the critique of political and economic power and an important resource for citizens during numerous political crises In an age of Truthiness fake news and humorous political talk have proven themselves viable forms of alternative reporting and critical means for ascertaining truth and in the process questioning the legitimacy of news media s role as the primary mediator of political life The book also addresses the persistent claims that these programs have cynical effects and create misinformed young citizens demonstrating instead how such programming provides for an informed active and meaningful citizenship The new edition takes account of the many changes that have occurred in television and political culture since Entertaining Politics initial release *I Sing the Body Politic* Peter Swirski,2009-09-01 A critical investigation of the dead ends dead metaphors dead bodies and other historical constants of American politics
