The Fearless Snow Golem's Diaries Trilogy Mark Mulle, 2016-06-20 GENRE Children s Adventure An Unofficial Minecraft Book for Kids Ages 9 12 Preteen Book 1 The Edge This is the story of a Snow Golem called Edd Living in a community with other Snow Golems such as his mother Ann and his best friend Han Edd grew up without his father who had left the community 14 years ago when Edd was only a few days old As time passed Edd s desire to leave the community and explore the world just like his dad did only grew He also wanted to find his dad and know what he had been doing all this time But Edd s dream of going on an adventure is not well received in the community The Snow Golems are known for inhabiting snowy areas and biomes such as the tundra In

Edd's community the Snow Golems are safe within a huge tundra where they've been living for many generations. However, there's a border where the tundra meets the other biome, a forest, and this border is called The Edge by the Snow Golems. No one has ever witnessed a Snow Golem cross the edge alive because The Edge is said to be the limit of where a Snow Golem can go. Crossing it could melt them right away. The Snow Elder, the leader of the community, has been telling everyone about this tale for many years. But despite his advice, Edd wants to cross this dangerous Edge and live an adventure. He wants to find his long lost dad and come back home with him. Will Edd ignore the Elder's advice and cross The Edge? How dangerous is it to cross this legendary border? Will he find his dad in the vast world of Minecraft? And if so, how? Why has his dad been missing for 14 years?

Book 2 Exploring the Overworld Snow Golem Edd struggled to leave the community where he lived with the other Snow Golems. The Snow Elder and the other inhabitants didn't agree with his plan of leaving the place to explore the world and find his dad. Crossing The Edge, which separated the tundra from the other biomes, was the biggest taboo in the community's history, and according to the rumors, trespassing this forbidden border could melt a Snow Golem. Despite all criticisms and rumors, Edd took the courage needed to cross The Edge right in front of the entire Snow Golem community who witnessed a Golem doing that for the first time. Edd's father had crossed it 14 years prior to that day, but his mother was the only one who witnessed it. Now free from the chains of the community, Edd is ready for a new adventure in the world of Minecraft. He intends to find other creatures and communities and meet new races. But what Edd is bound to find is much worse than he thought, and he will discover that this world is full of injustices that must be dealt with.

Book 3 Finding Dad Snow Golem Edd left his home from the Snow Golem community to explore the world and find his missing father. He knew from the very beginning that this would not be an easy and safe journey, but Edd was determined to go on. He met many different creatures during his trip, such as the villagers and even humans. But Edd was completely unaware that the relationship between these two mobs would cost him his freedom. Edd will have to deal with risky situations, and he will also learn that in this world, not everything is as easy as it seems. Trying to change everything might cost someone more than they're willing to give up. If that isn't enough, Edd still needs to find his father and take him back home. This quest seems like an impossible mission, one in which Edd may not have the opportunity to complete if he doesn't deal with his other issues first.
