Education Act (IDEA) Ian O. Javier, 2005 The Individuals with Disabilities Education Act IDEA provides funds to states for the education of children with disabilities It contains detailed requirements for the receipt of these funds including the core requirement of the provision of a free appropriate public education FAPE IDEA was comprehensively revised in 1997 by P L 105 17 but Congress has continued to grapple with issues relating to the Act This book provides an overview of the Act with particular attention paid to issues of recent congressional concern such as funding and the provision of FAPE for children with disabilities found to have brought a weapon to school *Community Colleges and the Access Effect* J. Scherer, M.

Anson, 2014-04-02 Taking on the cherished principle that community colleges should be open to all students with a high school education Scherer and Anson argue that open access policies and lenient federal financial aid laws harm students and present the case for raising the minimum requirements for community college entry *Innovations in the Design and Application of Alternative Digital Credentials* Piedra, Daniel, 2021-11-12 The world of academic credentials is going through a rapid change that has seen the emergence of alternate digital credentials Among these are micro certificates digital diplomas and open digital badges which provide a digital record of learning and have the possibility of not only altering the landscape of academic credentials but also transforming the relationship between institutions of higher education their learners and society As institutions turn their attention to alternate digital credentials it is important to learn from what others have experienced *Innovations in the Design and Application of Alternative Digital Credentials* identifies innovative examples of the use of alternate digital credentials to validate specific skills within an existing academic program or on their own Alternate

digital credentials may be how specific skills hard or soft are validated with an emphasis on their relationship to enhance employability and recognition within an industry Covering a wide range of topics such as micro credentials badge driven learning and traditional credentials this handbook is ideal for researchers students academicians and administrative decision makers as well as those who support and finance learning systems and theories and those already involved in the design and application of alternate digital credentials at the post secondary level *Hearings on H.R. 5, the IDEA Improvement Act of 1997* United States. Congress. House. Committee on Education and the Workforce. Subcommittee on Early Childhood, Youth, and Families,1997 Monthly Catalog of United States Government Publications ,1995 **Fiscal Year 1997 Application for New Grants Under the Individuals with Disabilities Education Act (IDEA).** ,1997 **Teaching Young Adult Literature** Judith A. Hayn,Jeffrey S. Kaplan,Amanda L. Nolen,Heather A. Olvey,2015-11-12 The authors who contributed to this text believe that young adult literature YAL can meet the Common Core s push to include literacy across content areas as well as meet the standards in creative and effective ways This text is intended to give educators a resource to aid them in creating a literacy curriculum The included chapters written by experts from different universities across the country offer a variety of methods for using YAL to meet the standards while connecting with students Following a framework first chapter introducing the importance of YAL and discussing its relevance other authors tackle various ways to teach it Each chapter may suggest different strategies and rationales for utilizing YAL but each shares a common purpose with the others to promote the efficacy of YAL to engage students while at the same time meeting the rigorous standards set forth by the Common Core
