Aplia True False Study Guide:

CoreEconomics Eric Chiang,2013-12-09 With this new edition Eric Chiang transforms CoreEconomics into a text media resource well attuned to today's students. Long active in the economics education community, Chiang brings a contemporary teacher's perspective to the book, supporting a variety of learning approaches by introducing modern topics, new pedagogy, a more visual presentation, and well-integrated media tools. All this while maintaining the book's defining focus on just those topics instructors cover most often in the course.

Essentials of International Economics Robert C. Feenstra, Alan M. Taylor,2010-12-27 Revision of the 2008 publication, International economics condensed to fifteen chapters and designed for single semester courses combining international trade and macroeconomics. Second ed. also available in a 22 chapter version titled International economics.

Exploring Macroeconomics, 6th Edition Robert L. Sexton, Colin C. Kovacs, Peter N. Fortura,2023-01-27 Exploring Macroeconomics Sixth Canadian Edition offers students a lively approach designed to take the intimidation out of economics. With its short, self-contained learning units and its carefully chosen pedagogy, graphs, and photos, this text helps students master and retain the basic principles of economics. In addition, the current events focus and modular format of presenting information makes Exploring Macroeconomics a very student accessible and user friendly text. Robert Sexton's section by section approach is designed to encourage economic literacy and help students appreciate how economics impacts both business and daily life. Sexton helps students build a solid understanding of economic principles by engaging them from the outset and providing them with multiple points of practice.
