has sent Me Jesus fulfilled His commission so completely that He could state in John 14 9 He who has seen Me has seen the Father Jesus the One appointed and sent by the Father is the pattern of the New Testament apostle Jesus repeated the Jewish model when He ordained twelve and sent them out representing Him In John 20 21 He says Peace to you As the Father has sent Me I also send you They thus were Christ s apostles This process began early in His ministry Mark 3 14 15 Then He appointed twelve that they might be with Him and that He might send them out to preach and to have power to heal sicknesses and to cast out demons Add to this a principle stated by Jesus to the Twelve in Mark 9 37 Whoever receives one of these little children in My name receives Me and whoever receives Me receives not Me but Him who sent Me He implies that those sent are especially chosen by the divine will for their mission bearing His authority Other men are specifically designated as apostles in Acts but undoubtedly the Twelve are in a unique category Peter describes them in Acts 1 21 22 Therefore of these men who have accompanied us all the time that the LORD Jesus went in and out among us beginning from the baptism of John to that day when He was taken up from us one of these must become a witness with us of His resurrection No other Apostle not Paul nor the LORD s brothers James and Jude nor Barnabas can meet this description Paul calls himself one born out of due time while specifying apostles 1 Corinthians 15 8 Then last of all He was seen by me also as by one born out of due time

The Baptist Teacher-training Manual Hugh Thomas Musselman,1909 GICMP College of Apostleship Training Manual Dwann Holmes,2022-09-28 Are You Called To Apostleship But You Know You Need More Clarity Is God Calling You And Your Church To A New Era of Apostleship Need Better Understanding of What Apostleship Looks Like In The Marketplace If you answered yes to any of these questions you are in the right place There is a real difference between an Apostolic Prophet and An Apostle Just as there is a real difference between a Pastor and one who embraces the mantle of Apostleship However if you re not careful you can move forward in confusion and many times not even recognize it Though the DNA of Apostleship is quite evident in the fruit of your mantle for many who never take the time to truly get an UNDERSTANDING it can be more than overwhelming This MANUAL was developed to accompany the GICMP College of Apostleship intensive developed to help put you in the right perspective of what Apostleship is and isn t especially in this 21st century You will walk through the word You will walk through your call You will walk through your mandate You will hear from others just like you and some who sound NOTHING like you at all That s the beauty of apostleship and the Kingdom This MANUAL will help you sort it all out and point you in the right direction as you are processing through what God is doing in your life
