

ARNOLD'S EXPEDITION TO QUEBEC

JOHN CODMAN

Arnolds Expedition Quebec John Codman

Stephen Darley

Arnolds Expedition Quebec John Codman:

Arnold's Expedition to Quebec John Codman, 1903 **Arnold S Expedition to Quebec** John Codman, 2019-03-12 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore you will see the original copyright references, library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. *The First American Army* Bruce Chadwick Chadwick, 2006-10-01 This is the first book that offers you a look at the American Revolution through the eyes of the enlisted men. Through searing portraits of individual soldiers, Bruce Chadwick, author of *George Washington's War*, brings alive what it was like to serve then in the American army. With interlocking stories of ordinary Americans, he evokes what it meant to face brutal winters, starvation, terrible homesickness, and to go into battle against the much vaunted British regulars and their deadly Hessian mercenaries. The reader lives through the experiences of those terrible and heroic times when a fifteen-year-old fifer survived the Battle of Bunker Hill, when Private Josiah Atkins escaped unscathed from the bloody battles in New York, and when a doctor and a minister shared the misery of the wounded and dying. These intertwining stories are drawn from their letters and never before quoted journals found in the libraries belonging to the camps where Washington quartered his troops during those desperate years. *Thirteen Charges Against Benedict Arnold* Ennis Duling, 2021-07-29 Years before General Benedict Arnold betrayed the American cause, a young officer and attorney named John Brown brought 13 charges of misconduct against him and called for his arrest. Brown was shuttled from one general to another and finally to George Washington, before powerful politicians decided in Arnold's favor without hearing from Brown or any other witnesses. Historians have continued to ignore the accusations, finding Brown's charges to be false and even absurd. In fact, some are unquestionably true, and all are worthy of investigation. John Brown was an early hero of the Revolution, a legislator, envoy, spy, and accomplished field officer. His charges and his many proposed witnesses are a starting point for a reevaluation of Arnold's conduct in the war on his storied march up Maine's Kennebec River to Canada during the winter siege of Quebec and at the battles of Valcour Island and Saratoga. What emerges from Brown's charges is a story of deceit and misconduct and of prominent leaders and historians turning a blind eye in order to maintain exciting myths.

Voices from a Wilderness Expedition Stephen Darley, 2011-08-05 The purpose of *Voices from a Wilderness Expedition*

is to reawaken the now silent voices of the brave men who made the historic 1775 march through the Maine wilderness with Benedict Arnold to attack Quebec and conquer Canada This book is not a chronological history of the expedition but rather offers details and new information about the lives of the men who participated and equally important the journals that chronicled the hardships of the march It contains significant new information on both the men and the journals that has never been published The book features First ever bibliography of all printings of thirty journals written by participants Three newly discovered journals found in the University of Glasgow Library Two never before published journals written by privates on the expedition New biographical information on seven officers Examination of the career of Col Roger Enos whose 3 companies left early to return to Cambridge Identification of Capt Scott a previously unknown company commander Transcription of 2nd Isaac Senter journal Comprehensive roster of names of 1124 officers and men who were on the expedition

They "... Fought Bravely, but Were Unfortunate:" Daniel M. Popek,2015-11-05 Rhode Island s Black Regiment of the American Revolutionary War is fairly well known to students of American History Most published histories of the small colored battalion from Rhode Island are clearly biased in favor of the regiment and tend to interpret it as an elite military unit However a detailed study and analysis of Rhode Island s segregated Continental Line by the author reveals a military experiment that was beset with difficulties from its start and ultimately failed as a segregated unit in 1780 In this work many of the popular stories of Rhode Island s Black Regiment are proven to be myths Follow the accurate historical stories of the colored and white soldiers of Rhode Island s Continental Line whose courage and sacrifices helped create an independent nation

The American Revolution 1775-1783 Richard L. Blanco,2020-12-06 This definitive encyclopedia originally published in 1983 and now available as an ebook for the first time covers the American Revolution comes in two volumes and contains 865 entries on the war for American independence Included are essays ranging from 250 to 25 000 words on major and minor battles and biographies of military men partisan leaders loyalist figures and war heroes as well as strong coverage of political and diplomatic themes The contributors present their summaries within the context of late 20th Century historiography about the American Revolution Every entry has been written by a subject specialist and is accompanied by a bibliography to aid further research Extensively illustrated with maps the volumes also contain a chronology of events glossary and substantial index
