Art War Executives Donald Krause:

The Art of War for Executives Donald G. Krause, 2007-10-02 Success is an art form that few can master Here Sun Tzu's ancient principles of war reinterpreted for the modern businessperson offer the skills to gain an advantage and achieve success on the corporate battlefield and the strategies to win at work when conflicts arise **Business Greatest Hits**

Kevin Duncan, 2010-09-01 Part of the Greatest Hits series *Business Greatest Hits* by Kevin Duncan is an essential business resource that utilizes an effective and time efficient approach to mastering the best ideas of modern business and staying up to date on topics most widely discussed by upper management The first ten chapters of the book give in depth examination of critical topics in business That is followed by quick summaries of the most talked about and thought provoking work from the best business books published including *Freakonomics* *Nudge* and *Built to Last* The Greatest Hits books are just that They help you stay on top of the ever changing mountain of new business theory and practice models in a format that distills an enormous amount of information and insight into memorable digests that will enable you to finally cross these must read books off your business reading list [Ethics, Security, and The War-Machine](#) Ned Dobos, 2020-05-07 If pacifists are correct

in thinking that war is always unjust then it follows that we ought to eliminate the possibility and temptation of ever engaging in it we should not build war making capacity and if we already have then demilitarization or military abolition would seem to be the appropriate course to take On the other hand if war is sometimes justified as many believe then it must be permissible to prepare for it by creating and maintaining a military establishment Yet this view that the justifiability of war making is also sufficient to justify war building is mistaken This book addresses questions of *jus ante bellum* or justice before war Under what circumstances is it justifiable for a polity to prepare for war by militarizing When if ever and why if at all is it morally permissible to create and maintain the potential to wage war In doing so it highlights the ways in which a civilian population compromises its own security in maintaining a permanent military establishment explores the moral and social costs of militarization and evaluates whether or not these costs are worth bearing [50 Success Classics](#) Tom

Butler-Bowdon, 2010-12-07 Discover the all time classic books that have helped millions of people achieve success in their work and personal lives **Masters of War** Michael I. Handel, 2005-12-05 This is the first comprehensive study based on a detailed textual analysis of the classical works on war by Clausewitz Sun Tzu Mao Tse tung and to a lesser extent Jomini and Machiavelli Brushing stereotypes aside the author takes a fresh look at what these strategic thinkers actually said not what they are widely believed to have said He finds that despite their apparent differences in terms of time place cultural background and level of material technological development all had much more in common than previously supposed In fact the central conclusion of this book is that the logic of waging war and of strategic thinking is as universal and timeless as human nature itself This third revised and expanded edition includes five new chapters and some new charts and diagrams

An Analysis of Sun Tzu's The Art of War Ramon Pacheco Pardo, 2017-07-05 Sun Tzu's *The Art of War* is a series of lessons in the applied art of problem solving Sun 544 BC 496 BC an experienced general from the Warring States period of Chinese history saw war as an

inevitable problem indeed the ultimate problem confronting the state The Art of War summarises his lessons on how to solve the problems raised by conflict The work comprises a series of pithy discussions of the different strategic situations that might arise and the best responses for each In many ways it is a masterclass in the application of critical thinking to practical affairs Aspiring generals are advised to appraise the situation according to five separate criteria and to plan accordingly The expert at battle seeks his victory from strategic advantage Sun writes so every general must assess their situation from every angle and establish not only the best way to give themselves the strategic advantage but also of preventing the other side from giving itself the advantage Throughout the text Sun epitomises the qualities of a good problem solver by focusing on the nature of the problem asking productive questions about it and making sound decisions **From Buddy to Boss, 2nd Ed**

Chase Sargent, 2018-04-13 Professional development and leadership with you in mind A good friend once said about Chase Sargent that he is a very intelligent man but he sure does tick people off sometimes Sargent doesn't disagree He may have made some people mad but he wishes he had done it more often to get this point across Leadership in all aspects of life is sorely lacking The second edition of From Buddy to Boss Effective Fire Service Leadership reinforces the fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success Being a firefighter can be tiring and frustrating but it can be rewarding It's not only about the job but also about raising kids managing your life and trying to be a good person attached to God country family and friends says the author Many leaders today are surrounded by external politics hidden agendas fiscal constraints and manipulative people Consider these factors when navigating your career Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader Before he went into teaching this subject It became apparent very quickly that the leadership and human resources training being provided was as scarce as water in a desert and that the fire service was thirsty This new second edition includes must read topics on leadership lessons from the War in Iraq knowing death in the fire service and providing leadership in large scale disasters This book will change your life **The Deming Management**
