Art Fundamentals Otto G. Ocvirk, 1962 *Art Fundamentals: Theory and Practice* David L. Cayton, Philip R. Wigg, Robert O. Bone, Otto Ocvirk, Robert E. Stinson, 2012-01-10 The original textbook that set the standard for art foundations courses across the country. Art Fundamentals has guided generations of students through both the essential elements of art and the rich and varied history of their uses. We have organized Art Fundamentals to assist with knowing and feeling the fundamental concepts of refined creation. Our intent is to stimulate without locking students into a restricted mind set or mechanical copying of ideas **Looseleaf for Art Fundamentals: Theory and Practice** Otto Ocvirk, Robert Stinson, Philip Wigg, Robert Bone, David Cayton, 2011-05-23 *Africa in the UNESCO Art Collection* UNESCO, 2021-11-18 No continent reflects better than Africa the diversity of periods, techniques, raw materials, media, and artistic styles in the UNESCO Art Collection. Textiles, woodwork, tapestries, sculptures, paintings, glyptic demonstrate the continent's outstanding plastic and aesthetic capacity. This publication is the first monographic presentation of the Art Collection **Current Approaches and New Perspectives in Aegean Iconography** Fritz Blakolmer, 2020-06-25 The aim of this volume is to present an overview of current trends and individual methodological attempts towards arriving at an adequate understanding of Minoan, Cycladic, and Mycenaean iconography **Foundations of Art Therapy** Meera Rastogi, Rachel P. Feldwisch, Michelle Pate, Joseph Scarce, 2022-06-30 Foundations of Art Therapy: Theory and Applications is an essential and comprehensive introduction to the field of art therapy that blends relevant psychological and neuroscience research theories and concepts and infuses cultural diversity throughout each chapter. The text includes full-color photos, informative charts, and case examples and is divided into four parts, beginning with the basics of art therapy knowledge and concluding with professional practices in art therapy. The fundamentals of art therapy section includes coverage of art therapy founders, art materials, multicultural perspectives, intersections with neuroscience, and research methods. An overview and in-depth explorations of different theoretical approaches to the practice of art therapy are covered in the second part of the book. A bio-psycho-social approach integrates current research on art therapy with specific populations: children, mental health, older adults, and trauma. The book concludes with art therapy professional practices in group, concepts, community-based art therapy, and developing a career in the field. Each chapter contains chapter objectives, practical applications, ethical considerations, reflection questions, experiential exercises, and a list of terms. The unique practical and interdisciplinary approach of this text provides a solid base for understanding the field of art therapy and is well suited for use in undergraduate art therapy courses. This book will appeal to those who want an introduction to the field's theories, research, and practice and those seeking a comprehensive understanding on the foundations of art therapy. Full-color photos, informative charts, and case examples. Definitions, key details, and clear explanations of major concepts. Evidence-based research and attention to diversity, equity, inclusion, and justice in each chapter. Reader experiential activities and reflection questions to enhance deeper levels of processing.

Instructor resources that include chapter outlines experiential classroom activities and lecture enhancements multiple choice and short answer questions for each chapter

Innovation in the Arts Jason C. White, 2022-08-01 This concise guide aims to increase what we understand by innovation in the arts and identify and support opportunities and strategies for the unique ways in which artists and arts administrators think about engage in and pursue successful innovation in their diverse creative practice Innovations in the Arts are often marginalised from a research perspective in part because of the lack of a sound and compelling theoretical framework to support and explain process distinctions from business and management innovation This book identifies three key concepts art innovation art movement innovation and audience experience innovation supported by formal theory for each concept presented and evidenced through case studies in art history In this way the book enables readers to identify explain and support their innovation efforts as visual literary and performing artists and arts administrators It also explores strategies for pursuing innovation in practice Drawing attention to the unique ways in which artists and arts administrators think about and engage in innovation this readable book will be an essential reading for students in all aspects of the creative and cultural industries and an essential guide to developing and promoting innovation in the arts for practitioners and researchers alike
