Schaler, 2011-09-30 Politicians and the media tell us that people who take drugs including alcohol or nicotine cannot help themselves They are supposedly victims of the disease of addiction and they need treatment The same goes for sex addicts shopping addicts food addicts gambling addicts or even addicts to abusive relationships This theory which grew out of the Temperance movement and was developed and disseminated by the religious cult known as Alcoholics Anonymous has not been confirmed by any factual research Numerous scientific studies show that addicts are in control of their behavior Contrary to the shrill mindless propaganda of the war on drugs very few of the people who use alcohol marijuana heroin or cocaine will ever become addicted and of those who do become heavy drug users most will mature out of it in time without treatment Research indicates that treatment is completely ineffective an absolute waste of time and money Instead of looking at drug addiction as a disease Dr Schaler proposes that we view it as willful commitment or dedication akin to joining a religion or pursuing a romantic involvement While heavy consumption of drugs is often foolish and self destructive it is a matter of personal choice *Powerfully Recovered!* Anne Wayman, 1998-11 In this ground breaking book Anne Wayman clean and sober for almost 25 years and with multiple works published by Hazelden explores two myths that grown up in the 12 Step movement never ending recovery and perpetual powerlessness Convinced that the 12 Steps offer the best chance for lasting recovery she challenges the movement to acknowledge the fear behind the myths and let them go so that the Program can reach its full potential Working from original source material she explains the nature and development of the myths She documents the damage they do to individuals and the movement as a whole including its relative failure in areas of poverty where it is most needed With true compassion and understanding she shows exactly what 12 Steppers need to do to let go of the myths and become Powerfully Recovered as the original Program intended It's about time Bruce K Powerfully Recovered has helped me articulate something I've been feeling for years Kathy B This book makes a powerful and positive difference for anyone in any 12 Step Program Grace S An Index to All the Reported Cases, Statutes, and General Orders, Relating to the Principles, Pleadings and Practice of Equity and Bankruptcy in the Courts of Equity in England and Ireland, the Privy Council, and the House of Lords from the Earliest Period Down to the Year 1831 Edward CHITTY (Barrister-at-Law), 1853
