At Any Cost Thomas F. O'Boyle, 2011-01-12 O Boyle has researched and written a monumental book that should be mandatory reading for all CEOs and anyone concerned with business ethics The Philadelphia Inquirer Superb a spirited study of General Electric and of its sometimes brilliant sometimes bungling but always ruthless boss Jack Welch Chicago Sun Times With convincing passion and meticulous research Thomas F O Boyle explores the forces behind General Electric s rise to the top of Wall Street questioning if GE with chief executive officer Jack Welch at the helm is still bringing good things to life Welch explosive profit hungry and pragmatic catapulted GE s stocks to the top up 1 155 percent from 1982 to 1997 O Boyle argues that these astounding results have come only with the heavy price of employees lives blighted under the tyranny of Neutron Jack Welch so named for his bomb like ability to eliminate staff without disturbing surrounding operations During Welch s reign hard nosed success tactics unblinking downsizing ruthless acquisition negotiations and the virtual abandonment of manufacturing in favor of the more glamorous entertainment and financial services industries coexist with scandals like price fixing pollution and defense contract fraud Sure to spark controversy this gripping comprehensive account begs the greater question Is Jack Welch s GE a model company for business in the next century or is it time to change the way the world does business Smoothly written and thoroughly researched USA Today This book makes a valuable contribution to our understanding of corporate America Thomas F O Boyle persuades you that GE Jack Welch s GE brings bad things to life In abundance Washington Monthly

A State at Any Cost Tom Segev, 2019-09-24 2019 National Jewish Book Award Finalist A fascinating biography a masterly portrait of a titanic yet unfulfilled man this is a gripping study of power and the loneliness of power The Economist As the founder of Israel David Ben Gurion long ago secured his reputation as a leading figure of the twentieth century Determined from an early age to create a Jewish state he thereupon took control of the Zionist movement declared Israel s independence and navigated his country through wars controversies and remarkable achievements And yet Ben Gurion remains an enigma he could be driven and imperious or quizzical and confounding In this definitive biography Israel s leading journalist historian Tom Segev uses large amounts of previously unreleased archival material to give an original nuanced account transcending the myths and legends that have accreted around the man Segev s probing biography ranges from the villages of Poland to Manhattan libraries London hotels and the hills of Palestine and shows us Ben Gurion s relentless activity across six decades Along the way Segev reveals for the first time Ben Gurion s secret negotiations with the British on the eve of Israel s independence his willingness to countenance the forced transfer of Arab neighbors his relative indifference to Jerusalem and his occasional nutty moments from UFO sightings to plans for Israel to acquire territory in South America Segev also reveals that Ben Gurion first heard about the Holocaust from a Palestinian Arab acquaintance and explores his tempestuous private life including the testimony of four former lovers The result is a full and startling portrait of a man who sought a state at any cost at times through risk taking violence and

unpredictability and at other times through compromise moderation and reason Segev's Ben Gurion is neither a saint nor a villain but rather a historical actor who belongs in the company of Lenin or Churchill a twentieth century leader whose iron will and complex temperament left a complex and contentious legacy that we still reckon with today *Devil in the Details* GEG,2023-01-24
