At Large E W Hornung:

At Large E. W. Hornung, 2014-07-01 During a formative period in his early adulthood English born author E W Hornung spent several years working as a tutor at a desolate outpost in the Australian wilderness This experience proved to be instrumental as a source of inspiration in his later work The intricately plotted mystery novel At Large unfurls against the backdrop of the unforgiving Australian landscape

At Large E.w. Hornung, 2017-05-11 Ernest William Hornung 7 June 1866 22 March 1921 was an English author and poet known for writing the A J Raffles series of stories about a gentleman thief in late 19th century London Hornung was educated at Uppingham School as a result of poor health he left the school in December 1883 to travel to Sydney where he stayed for two years He drew on his Australian experiences as a background when he began writing initially short stories and later novels In 1898 he wrote In the Chains of Crime which introduced Raffles and his sidekick Bunny Manders the characters were based partly on his friends Oscar Wilde and his lover Lord Alfred Douglas and also on the characters of Sherlock Holmes and Dr Watson created by his brother in law Arthur Conan Doyle The series of Raffles short stories were collected for sale in book form in 1899 and two further books of Raffles short stories followed as well as a poorly received novel Aside from his Raffles stories Hornung was a prodigious writer of fiction publishing numerous books from 1890 with A Bride from the Bush to his 1914 novel The Crime Doctor The First World War brought an end to Hornung s fictional output His son Oscar was killed at the Second Battle of Ypres in July 1915 Hornung joined the YMCA initially in England then in France where he helped run a canteen and library He published two collections of poetry during the war and then afterwards one further volume of verse and an account of his time spent in France Notes of a Camp Follower on the Western Front Hornung s fragile constitution was further weakened by the stress of his war work To aid his recuperation he and his wife visited the south of France in 1921 He fell ill from influenza on the journey and died on 22 March 1921 aged 54 Although much of Hornung s work has fallen into obscurity his Raffles stories continued to be popular and have formed numerous film and television adaptations Hornung s stories dealt with a wider range of themes than crime he examined scientific and medical developments guilt class and the unequal role played by women in society Two threads that run through a sizeable proportion of his books are Australia and cricket the latter was also a lifelong passion

At Large E. W. Hornung, 2015-11-10 A hooded wagon was creeping across a depressing desert in the middle of Australia layers of boxes under the hood and of brass handled mahogany drawers below the boxes revealed the licensed hawker of the bush Now the hawker out there is a very extensive development of his prototype here at home he is Westbourne Grove on wheels with the prices of Piccadilly W But these particular providers were neither so universal nor so exorbitant as the generality of their class There were but two of them they drove but two horses and sat shoulder to shoulder on the box The afternoon was late all day the horses had been crawling for the track was unusually heavy There had been recent rains red mud clogged the wheels at every yard and clung to them in sticky tires Little pools had formed all over the plain and

westward on the off side of the wagon these pools caught the glow of the setting sun and filled with flame Far over the horses ears a long low line of trees was visible otherwise the plain was unbroken you might ride all day on these plains and descry no other horse nor man The pair upon the box were partners Their names were Flint and Edmonstone Flint was enjoying a senior partner s prerogative and lolling back wreathed in smoke His thick bare arms were idly folded He was a stout brown bearded man who at thirty looked many years older indolence contentment and goodwill were written upon his face The junior partner was driving and taking some pains about it keeping clear of the deep ruts and pushing the pace only where the track was good He looked twenty years Flint s junior and was in fact just of age He was strongly built and five feet ten with honest gray eyes fair hair and an inelastic mouth

E.W. Hornung - At Large E. W. Hornung,2018-06-19 Ernest William Hornung was born in Middlesbrough England on 7th June 1866 the third son and youngest of eight children Although spending most of his life in England and France he spent two years in Australia from 1884 and that experience was to colour and influence much of his written works His most famous character A J Raffles the gentleman thief was published first in Cassell s Magazine during 1898 and was to make him famous across the world as the new century dawned Hornung also wrote several stage plays and was a gifted poet Spending time with the troops in WWI he published Notes of a Camp Follower on the Western Front during 1919 a detailed account of his time there This was especially close to his heart as his son and only child was killed at the Second Battle of Ypres on 6th July 1915 Ernest William Hornung died in Saint Jean de Luz in the south of France on 22nd March 1921

W. Hornung,2018-08-13 *At Large* E W Hornung In this position a moment's silence fell upon the four men to be broken by the coarse grating laughter of a fifth Edmonstone turned his head saw another horseman issuing from the trees and at once recognised the burly figure of the traveller who had borrowed his match box less than an hour before At that moment and not until then Dick Edmonstone realised the situation It was desperate all was lost The lad's brain spun like a top reason fled from it his hand clutched nervously at the pocket where the money was and he swore in his heart that if that went his life might go with it In another instant the hairy ruffian had ridden his horse close up to Edmonstone whipped his foot from the stirrup We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
