associates for this biography **The Future Formula** Will Mattox, 2013-09-17 The Future Formula is 21 life principles that cross every aspect of every reader's life. They are intended to challenge, provoke, reinforce, and compel the reader to take some action. Any action to first include the principle in their belief system and to then implement that new belief where appropriate. It is not just ideas that leave the reader wondering about how to apply the ideas, but it is both idea and recommended application. The Future Formula looks wholly at the individual, the family, and the business, knowing that there are Spiritual, Mental, and Physical aspects in each and that without addressing the entire entity, that true significant change is limited. The Future Formula is a reflection of the work Mattox has done with thousands of clients worldwide over the past 15 years and will now reach a much larger audience to create the same level of life-changing success.
