At Night We Walk In Circles A Novel:

At Night We Walk in Circles Daniel Alarcón, 2013-10-31 A breathtaking suspenseful story of one man's obsessive search to find the truth of another man's downfall from the author of *The King Is Always Above the People* which was longlisted for the 2017 National Book Award for Fiction. Nelson's life is not turning out the way he hoped. His girlfriend is sleeping with another man, his brother has left their South American country leaving Nelson to care for their widowed mother and his acting career can't seem to get off the ground. That is until he lands a starring role in a touring revival of *The Idiot President*, a legendary play by Nelson's hero Henry Nunez, leader of the storied guerrilla theater troupe Diciembre. And that's when the real trouble begins. The tour takes Nelson out of the shelter of the city and across a landscape he's never seen which still bears the scars of the civil war. With each performance, Nelson grows closer to his fellow actors, becoming hopelessly entangled in their complicated lives until during one memorable performance, a long buried betrayal surfaces to force the troupe into chaos. Nelson's fate is slowly revealed through the investigation of the narrator, a young man obsessed with Nelson's story and perhaps closer to it than he lets on. In sharp, vivid and beautiful prose, Alarcón delivers a compulsively readable narrative and a provocative meditation on fate, identity and the large consequences that can result from even our smallest choices.

The King is Always Above the People Daniel Alarcón, 2017 LONGLISTED for the 2017 NATIONAL BOOK AWARD FOR FICTION. An urgent essential collection of stories about immigration, broken dreams, Los Angeles gang members, Latin American families and other tales of high stakes journeys from the award-winning author of *War by Candlelight* and *At Night We Walk in Circles*. Migration, Betrayal, Family secrets, Doomed love, Uncertain futures. In Daniel Alarcón's hands, these are transformed into deeply human stories with high stakes. In *The Thousands*, people are on the move and forging new paths; hope and heartbreak abound. A man deals with the fallout of his blind relatives' mysterious deaths and his father's mental breakdown and incarceration in *The Bridge*. A gang member discovers a way to forgiveness and redemption through the haze of violence and trauma in *The Ballad of Rocky Rontal*. And in the tour de force novella *The Auroras*, a man severs himself from his old life and seeks to make a new one in a new city only to find himself seduced and controlled by a powerful woman. Richly drawn, full of unforgettable characters, *The King is Always Above the People* reveals experiences both unsettling and unknown and yet eerily familiar in this new world.

Lost City Radio Daniel Alarcón, 2009-10-13 For ten years, Norma has been the on-air voice of consolation and hope for the Indians in the mountains and the poor from the barrios, a people broken by war's violence. As the host of *Lost City Radio*, she reads the names of those who have disappeared, those whom the furiously expanding city has swallowed. Through her efforts, lovers are reunited and the lost are found. But in the aftermath of the decade-long bloody civil conflict, her own life is about to forever change thanks to the arrival of a young boy from the jungle who provides a cryptic clue to the fate of Norma's vanished husband.

The Book of Emma Reyes Emma Reyes, 2018-08-07 Startling and astringently poetic The New York Times An extraordinary account in the tradition of The House on Mango Street Child of the Dark and Angela's Ashes of a Colombian woman's harrowing childhood defined by uprootedness and migration Emma Reyes was an illegitimate child raised in a windowless room in Bogotá with no water or toilet and only ingenuity to keep her and her sister alive Abandoned by her mother she moved with her sister to a Catholic convent where she scrubbed floors and mended garments for the nuns and lived in fear of the Devil Illiterate and knowing nothing of the outside world she escaped at age nineteen eventually establishing a career as an artist befriending the likes of Frida Kahlo and Diego Rivera as well as

European artists and intellectuals and being encouraged in her writing by Gabriel García Márquez. Comprised of letters written over the course of thirty years, this astonishing memoir describes in painterly detail the remarkable courage and limitless imagination of a young girl growing up with nothing. Discovered only after Reyes's death, it reveals a gifted writer whose talent remained hidden for far too long. Forms of Dictatorship Jennifer Harford Vargas, 2018. An intra-ethnic study of Latina o fiction written in the United States from the early 1990s to the present, *Forms of Dictatorship* examines novels that depict the historical reality of dictatorship and exploit dictatorship as a literary trope. This literature constitutes a new sub-genre of Latina o fiction which the author calls the Latina o dictatorship novel. The book illuminates Latina o's central contributions to the literary history of the dictatorship novel by analyzing how Latina o writers with national origin roots in the Caribbean, Mexico, and Central and South America imaginatively represent authoritarianism. The novels collectively generate what Harford Vargas terms a Latina o counter-dictatorial imaginary that positions authoritarianism on a continuum of domination alongside imperialism, white supremacy, heteropatriarchy, neoliberalism, and border militarization. Focusing on novels by writers such as Junot Díaz, Hector Tobar, Cristina García, Salvador Plascencia, and Francisco Goldman, the book reveals how Latina o dictatorship novels foreground more ubiquitous modes of oppression to indict Latin American dictatorships, U.S. imperialism, and structural discrimination in the U.S. as well as repressive hierarchies of power in general. Harford Vargas simultaneously utilizes formalist analysis to investigate how Latina o writers mobilize the genre of the novel and formal techniques such as footnotes, focalization, emplotment, and metafiction to depict dictatorial structures and relations. In building on narrative theories of character, plot, temporality, and perspective, Harford Vargas explores how the Latina o dictatorship novel stages power dynamics. *Forms of Dictatorship* thus queries the relationship between different forms of power and the power of narrative form that is between various instantiations of repressive power structures and the ways in which different narrative structures can reproduce and resist repressive power.

Radio Audiences and Participation in the Age of Network Society Tiziano Bonini, Belén Monclús, 2014-12-05. This book maps, describes, and further explores all contemporary forms of interaction between radio and its public, with a specific focus on those forms of content co-creation that link producers and listeners. Each essay will analyze one or more case studies, piecing together a map of emerging co-creation practices in contemporary radio. Contributors describe the rise of a new class of radio listeners: the networked ones. Networked audiences are made up of listeners that are not only able to produce written and audio content for radio and co-create along with the radio producers, even definitively bypassing the central hub of the radio station by making podcasts but

that also produce social data calling for an alternative rating system which is less focused on attention and more on other sources such as engagement sentiment affection reputation and influence What are the economic and political consequences of this paradigm shift How are radio audiences perceived by radio producers in this new radioscope What s the true value of radio audiences in this new frame How do radio audiences take part in the radio flow in this age Are audiences interactions and co creations overrated or underrated by radio producers To what extent listeners generated content can be considered a form of participation or free labour exploitation What s the role of community radio in this new context These are some of the many issues that this book aims to explore Visit <https://www.facebook.com/pages/Radio-Audience-and-Participation-in-the-Age-of-Network-Society/869169869799842> for the book s Facebook page
