Bell And Candle:

Bell, Book and Candle ,1952 **Bell, Book, and Candle** John Van Druten,1951 Gillian Holroyd is one of the few modern people who can actually cast spells and perform feats of supernaturalism She casts a spell over an unattached publisher Shepherd Henderson partly to keep him away from a rival and partly because she is attracted to him He falls head over heels in love with her at once and wants to marry her But witches unfortunately cannot fall in love and this minute imperfection leads into a number of difficulties Ultimately the lady breaks off with her companions in witchery preferring the normal and human love offered her by the attractive publisher But before the happy conclusion of the romance Gillian comes very near to losing him but doesn't Publisher's description **Bell and Candle Books, Notebook, 6 X 9 , Paperback,**

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting,1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor's Dictionary of American Proverbs and Proverbial Phrases 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting's authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what's the real thing and what is spurious Bell, Book and Candle Auriol Lee,19?? *The Month* ,1909 Dictionary of Phrase and Fable
