Life and Death in one Breath (eBook) Sadhguru,2011-01-01 Death is a cosmic joke If you get the joke when you fall on the other side it will be wonderful If you don't get the joke when you are here you fear the other side and when the other side comes you just don't know what it is about If death becomes a laughing matter in your life life becomes an utterly effortless process there is no need to restrain yourself in the process of life you can live your life absolutely totally Sadhguru For ages most of humanity has placed life and death at two ends of the existential spectrum favoring one fearing the other and continuously floundering between the two Only when someone who has consciously traversed between both life and death offers to articulate some aspects of it does humanity get a glimpse of what lies beyond the horizon of its normal perception In this book with his extraordinary insights coming from a profound inner experience Sadhguru reveals that life and death are in fact two sides of the same coin It is only by embracing both that we can break the shackles of our self made struggles and be set free With numerous vibrant colour images the book is a breath taking journey through Sadhguru's wisdom **Ebook:**
