Now she takes center stage in her own story *A Voice from the Field*, a gripping thriller about human trafficking in the U.S. Gunther Kane and his white supremacist group are using forced prostitution to finance the purchase of automatic weapons. Kane snatches young women off the streets and sells them to hundreds of men. When a victim is used up, she's killed and dumped. After all, there are always more where she came from. Physically recovered from being shot but struggling with PTSD, Tia Suarez almost doesn't believe her eyes when she glimpses a Hispanic teenager bound and gagged in the back of Kane's van. The look of terror on the woman's face makes Tia desperate to rescue her. Kane's in the crosshairs of the FBI, who don't want a small-town Wisconsin detective messing up their big gun bust.
