Transformed Kristi Lemley, 2021-10-01 Have you ever been outside in the hot weather wilting under the heat and took a drink of cold water that brought relief and refreshment? *Transformed* produces a similar response. *Transformed* helps you walk through a process of healing by identifying areas in your past experiences or daily life that need God's touch. You will be inspired by *Times of Perseverance* Gregg L. Grossman, 2021-07-12 *Times of Perseverance: Hope and Healing on the Battlefields of Life* is a gripping narrative chronicling a Jewish man's tenacious survival from personal and family traumatic brain injury while capturing a transparent glimpse into the soul of a wounded man. His brother's severe traumatic brain injury reveals that God leads a person to himself in times of tragedy. Moreover, his near-death experience, which was a result of human error, teaches about God's forgiveness from Scripture. This is not only a story of a Jewish man coming to faith in Jesus Christ and his theological progression to becoming a Messianic Jew. Rather, it encapsulates a genuine longitudinal account of overcoming life adversity and grief while providing hope, encouragement, and inspiration to the wounded of society. Gregg's experiential account of loss from the coronavirus breathes comfort into the wearied soul contemplating meaning to life in this twenty-first century postmodern era. Hence, this poignant story inspires the reader to acquire life purpose and experience restoration on their battlefields of life.

The Enneagram for Spiritual Formation AJ Sherrill, 2020-09-15 Author AJ Sherrill still remembers the moment when his life was forever changed by a word he didn t even understand at the time Enneagram A personality theory that includes nine different types the Enneagram has become a popular tool for self awareness and improvement But in this

book Sherrill goes deeper exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation Sherrill reveals the Enneagram as a tool to unlock new ways of viewing identity personality discipleship spiritual practices evangelism and the Bible Using this fresh approach Sherrill shows how our true identity is that of a beloved child of God Recognizing that we can move confidently into the world expressing this identity through our unique personality Through Sherrill s detailed spiritual exploration of each type readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely Foreword by Chuck DeGroat Rhythms of Grace Kerri Weems, 2014-10-07 Life is not a sprint it s a marathon These well known words of wisdom remind us to pace ourselves in the journey of life so we reach the finish line with no regrets Pacing yourself is not as easy as it sounds Life tends to take on a pace of its own which when left unchecked will drive us toward burnout and fatigue We can easily become driven by care worry and ambition rather than led by the Holy Spirit We may tend to think of burnout as a modern problem but we can see that people in Jesus day felt their own kind of spiritual and emotional fatigue Why else would Jesus have said these comforting words Are you tired Worn out Burned out on religion Come to me Get away with me and you ll recover your life I ll show you how to take a real rest Walk with me and work with me watch how I do it Learn the unforced rhythms of grace I won t lay anything heavy or ill fitting on you Keep company with me and you ll learn to live freely and lightly Matt 11:28-30 The Message Even though he spoke these words more than two millennia ago Jesus call to rest and peace seem tailor made to fit this generation Author Kerri Weems had let the pace and rhythm of her life get out of control At first the consequences were only physical but they quickly impacted her spiritual life Since then God has been teaching her to walk in time with him he is teaching her to be led rather than driven In this book she opens up her life and shares this journey with the reader God s best for each of us is that we go the full distance of our race and not just crawl exhausted across the finish line God wants us to enjoy the race and cross the line with our heads held high a smile on our faces and our arms lifted in a double fist punch Getting to that moment is all about learning the rhythms of grace and pacing ourselves for the long run
