**Fiona MacDonald, Alexandra
Dobrowolsky**

And Disability Difference Global Contexts Transformative:

Disability and Difference in Global Contexts Nirmala Erevelles, 2013 This book explores the possibilities and limitations re theorizing disability using historical materialism in the interdisciplinary contexts of social theory cultural studies social and education policy feminist ethics and theories of citizenship

The Routledge International Handbook of Disability and Global Health Lieketseng Ned, Minerva Rivas Velarde, Satendra Singh, Leslie Swartz, Karen Soldatić, 2024-05-31 This handbook will raise awareness about the importance of health and well being of people with disabilities in the context of the global development agenda Leaving No one Behind There has been a growing discussion on how people with disabilities should be included in the global health landscape An estimated one billion people have some form of disability 80% of whom live in low and middle income settings People with disabilities are more likely to be poor with restricted access to health and social services education rehabilitation and employment Despite this people with disabilities are often overlooked in global health and development efforts Furthermore the COVID 19 pandemic has shown that unless systematically planned for and included in policies and programmes people with disabilities remain at an increased risk of being adversely affected in times of humanitarian crisis and emergency disasters Divided into eight sections Disability and Health Frameworks Health Justice Rights and Bioethics Gendering Disability Health Disability and Global Mental Health Disability and Access to Healthcare Including Workforce Development Crises and Health Technology and Digital Health Disability Ageing and Dementia Care This handbook covers the full range of topics pertaining to disability and global health including inclusive health access to rehabilitation global mental health and disability medical training and disability community based inclusive development for improving health and rehabilitation maternal health and sexual reproduction preventive care and health promotion for people with disabilities health disability and indigenous knowledges bioethics and human rights data protection and health in the global south It will be of interest to all scholars students and professionals working in the fields of disability studies health studies nursing medicine allied health development studies and sociology

Handbook of Education Policy Research Lora Cohen-Vogel, Peter Youngs, Janelle Scott, 2025-07-17 The second edition of the Handbook of Education Policy Research the largest volume published in AERA's history addresses a variety of policy and contextual issues in early childhood K 12 and postsecondary education that have received extensive empirical attention during the past 15 years With the pandemic and social turmoil as a backdrop the editors build on the breadth and depth of the first edition while expanding the scope of the project to include subjects methods theories and analyses that have contributed powerfully to the study of education policy and politics in the 2010s and 2020s The field has become more comprehensive and inclusive and the authors represent a diversity of racial ethnic and gender identities and intellectual and disciplinary orientations Most chapters come from multiple authors reflecting the multi sourced development of research in education policy since the first volume was published This compilation consists of 70 chapters and nine commentaries that map past present and future directions of the

field and richly attend to critical issues of interest to students researchers policy makers and practitioners

The Palgrave Handbook of Power, Gender, and Psychology Eileen L. Zurbriggen, Rose Capdevila, 2023-12-28 The Palgrave Handbook of Power Gender and Psychology takes an intersectional feminist approach to the exploration of psychology and gender through a lens of power The invisibility of power in psychological research and theorizing has been critiqued by scholars from many perspectives both within and outside the discipline This volume addresses that gap The handbook centers power in the analysis of gender but does so specifically in relation to psychological theory research and praxis Gathering the work of sixty authors from different geographies career stages psychological sub disciplines methodologies and experiences the handbook showcases creativity in approach and diversity of perspective The result is a work featuring a chorus of different voices including diverse understandings of feminisms and power Ultimately the handbook presents a case for the importance of intersectionality and power for any feminist psychological endeavor

Disability as Diversity in Higher Education Eunyoung Kim, Katherine C. Aquino, 2017-02-03 Addressing disability not as a form of student impairment as it is typically perceived at the postsecondary level but rather as an important dimension of student diversity and identity this book explores how disability can be more effectively incorporated into college environments Chapters propose new perspectives empirical research and case studies to provide the necessary foundation for understanding the role of disability within campus climate and integrating students with disabilities into academic and social settings Contextualizing disability through the lens of intersectionality Disability as Diversity in Higher Education illustrates how higher education institutions can use policies and practices to enhance inclusion and student success

The Routledge International Handbook of Mad Studies Peter Beresford, Jasna Russo, 2021-11-04 By drawing broadly on international thinking and experience this book offers a critical exploration of Mad Studies and advances its theory and practice Comprised of 34 chapters written by international leading experts activists and academics this handbook introduces and advances Mad Studies as well as exploring resistance and criticism and clarifying its history ideas what it is and what it can offer It presents examples of mad studies in action covering initiatives that have been taken their achievements and what can be learned from them In addition to sharing research findings and evidence the book offers examples and insights for advancing understandings of experiences of madness and distress from the perspectives of those who have had those experiences and also explores ways of supporting people oppressed by conventional understandings and systems This book will be of interest to all scholars and students of Mad Studies disability studies sociology socio legal studies mental health and medicine more generally

Colonising Disability Esme Cleall, 2022-08-04 Colonising Disability explores the construction and treatment of disability across Britain and its empire from the nineteenth to the early twentieth century Drawing on a wide range of sources Esme Cleall explores how disability increasingly became associated with difference and argues that it did so through intersecting with other categories of otherness such as race Philanthropic legal literary religious medical educational eugenistic and parliamentary texts are

examined to unpick representations of disability that overtime became pervasive with significant ramifications for disabled people Cleall also uses multiple examples to show how disabled people navigated a wide range of experiences from freak shows in Britain to missions in India to immigration systems in Australia including exploring how they mobilised to resist discrimination and constitute their own identities By assessing the intersection between disability and race Dr Cleall opens up questions about normalcy and the making of the imperial self *Turbulent Times, Transformational Possibilities?* Fiona MacDonald,Alexandra Dobrowolsky,2020-05-06 This edited collection features state of the art scholarship by diverse contributors on a contemporary array of compelling and contentious gender and politics concerns *The Routledge Companion to Intersectionalities* Jennifer C. Nash,Samantha Pinto,2023-02-28 The Routledge Companion to Intersectionalities is a dynamic reference source to the key contemporary analytic in feminist thought intersectionality Comprising over 50 chapters by a diverse international and interdisciplinary team of contributors the Companion is divided into nine parts Retracing intersectional genealogies Intersectional methods and inter disciplinarity Intersectionality s travels Intersectional borderwork Trans intersectionalities Disability and intersectional embodiment Intersectional science and data studies Popular culture at the intersections Rethinking intersectional justice This accessibly written collection is essential reading for students teachers and researchers working in women s and gender studies sexuality studies African American studies sociology politics and other related subjects from across the humanities and social sciences *Disability and Colonialism* Karen Soldatic,Shaun Grech,2017-10-02 The mapping control and subjugation of the human body and mind were core features of the colonial conquest This book draws together a rich collection of diverse yet rigorous papers that aim to expose the presence and significance of disability within colonialism and how disability remains present in the establishment maintenance and continuation of colonial structures of power Disability as a site of historical analysis has become critically important to understanding colonial relations of power and the ways in which gender and identity are defined through colonial categorisations of the body Thus there is a growing prominence of disability within the historical literature Yet there are few international anthologies that traverse a critical level of depth on the subject domain This book fills a critical gap in the historical literature and is likely to become a core reader for post graduate studies within disability studies postcolonial studies and more broadly across the humanities The chapters in this book were originally published as articles in Social Identities Journal for the Study of Race Nation and Culture
