And Terran Consensus Scott Washburn:

The Terran Consensus Scott Washburn,2015-12-23 On a lovely summer evening naval officer Robert Hancock and his daughter Melissa look up to see a space battle between alien spaceships taking place in orbit above Earth Astronaut Kay Youngs and engineer Usha Vasthare have a much closer view from the International Space Station When one of the alien ships crash lands near an American city the main characters find themselves drawn into an ancient interstellar war As evidence mounts that one side in the war has been manipulating humanity for decades in hopes of turning them into unwitting allies in their conflict the humans are faced with the fact that the other side is preparing an attack to make sure there are no Earthlings left to become allies to anyone With time running out the humans must decide who if anyone they can trust and how they can best survive the coming storm If you enjoy David Weber s military science fiction you ll enjoy Scott Washburn s *The Terran Consensus* Eric Flint *Fires of Memory* Scott Washburn,2018-09-06 The kingdoms of the east have all but forgotten the old magic Science has replaced the wizards muskets and cannons have replaced the swords and armor of the old knights But across the mountains Atark a shaman of their ancient enemy the nomadic Kaifeng has rediscovered the old magic and thirsting for revenge for his murdered family he unleashes it in a new war of conquest As city after city falls to the invader Matt a young soldier and Jarren a reluctant scholar desperately search for an answer to this seemingly unstoppable weapon Meanwhile Kareen and Thelena two young women from different cultures are thrown together by fate and find that in a world drenched in blood the only thing they can count on is each other **The Great Martian War** Scott Washburn,2016-02-10 Following the defeat of the Martian invasion of Britain a new threat to humanity lands in the American west President Roosevelt musters the captains of industry and leading scientists to find a way to turn back the Martian tide

The Texas Front Jonathan Cresswell-Jones,Scott Washburn,2018-12-24 The Martian invaders have overrun the American heartland Between the Mississippi and the Rockies only Texas holds out written off by the high command in Washington and with revolution brewing in Mexico Texas has become the Martians new target Across the Lone Star State soldiers Rangers and civilians alike prepare to repel the next attack outmatched and outgunned yet undaunted Governor Colquitt and General Funston plan to build their own weapons raise their own armies and perhaps take the war into their own hands But the Martians may not be their only concern **Legacy of Shadow** Craig Gallant,2016-05-07 Two men of earth stumble upon an artifact that bestows upon one of them control of and responsibility for an ancient space station that stands as the last bastion of freedom in the galaxy With the support of his friend and others he meets along the way he does his best to fill the office until a suitable successor can be found At the same time forces of galactic oppression move to use his presence as an excuse to crush the station He battles determined enemies betrayal and his own inner demons to defend the position blind luck put him into but in the process he might have started a process that might destroy every human in the galaxy

Across the Great Rift Scott Washburn,2017-07-04 A deep space mission sets out to terra form distant planets and

construct a star portal while an enemy within attempts to sabotage it The new empires which have arisen from the rubble of a devastating war are looking with greedy eyes across the Great Rift to the untouched stars which lie there Great riches and power will come to those who can control them But a rival power is determined to hijack the attempt and has secreted an agent in the expedition to disrupt it with sabotage and murder With the political and military personnel dead the task of carrying on falls to the engineers and technicians Their operation is further complicated by the fact that the far side of the Rift is not as uninhabited as it was supposed to be Refugees from the earlier destroyed civilization have already made a home here and they look upon the newcomers with decidedly mixed emotions The crew must try to win the trust of the natives if they are to have any hope against the coming enemy attack **The Great Martian War** Scott Washburn,2016-12-06 The second book in the Great Martian War Following the initial success in the great plains United States forces face threats along the Mississippi River from a Martian counterattack Roosevelt calls in world leaders to help the US in their fight against the Martians in this follow up to War of the Worlds **The Great Martian War** Scott Washburn,2016-03-01 Follow up to HG Wells War of the Worlds Following the Initial Martian Invasion pictured in The War of the Worlds the Martians launch a secondary invasion force In the United States President Theodore Roosevelt tries to muster the best and brightest minds in the United States to thwart the alien invasion and buy the world time **The Great Martian War** Scott Washburn,2017-12-05 The third book in the Martian Front series humanity fights for its existence As the Martian force tries to consolidate their position in the U S President Theodore Roosevelt gathers the best scientific minds and industry leaders to meet the Martian challenges Staking everything on a roll of the dice a joint army navy force are in the midst of developing a landship to win the war The big question is if they can complete it in time **The Great Martian War** Scott Washburn,2023-12-12 The fifth book in the Great Martian War series by Scott Washburn The next book in the Great Martian War series After a victory by the humans in the Middle East Churchill tries to organize the European forces to counter attack the Martians In Eastern Europe the human forces are pushed to the breaking point by the Martians The Europeans make a stand at Warsaw
