The Nightwatchman Lorna Couillard, 2020-07-29 Is God interested in your everyday life trials sorrows grief Yes indeed How often have we heard people say God doesn't care about our troubles and God helps those who help themselves Well people can live that way for a while as long as they have the strength but the time comes when strength fails and many fall into the ditch of life and never get up I've found when we fail when we lose our strength to go on when we can't put on a good front for people and they may walk out the door if we will just call his Name He will come in Whatever the problem whatever the trial whatever the circumstances He is only a prayer away a whisper is all it takes and I've learned through a lifetime of depending on Him He never fails He hears and answers prayer It may not be overnight and He may test you to see if you'll stand in faith But He's proven to me beyond any doubt His ears are open to the cries of His people In my life's journey I've accumulated a lifetime of journal accounts of answers to specific prayers for my own personal needs and in intercession concerning nations It's my hope and prayer that those who read this story will see a consistent pattern of standing against the forces of darkness and gaining ground in prayer and victory in the storms and adversities of life What God has done for me He will do for anyone if they'll just open the door of their heart and let Him in
