S Like The Hunger Games:

Of Bread, Blood and The Hunger Games Mary F. Pharr, Leisa A. Clark, Donald E. Palumbo, 2012-07-12 This collection of fresh essays on Suzanne Collins's epic trilogy spans multiple disciplines. The contributors probe the trilogy's meaning using theories grounded in historicism, feminism, humanism, queer theory, as well as cultural, political, and media studies. The essayists demonstrate diverse perspectives regarding Collins's novels, but their works have three elements in common: an appreciation of the trilogy as literature, a belief in its permanent value, and a need to share both appreciation and belief with fellow readers. The 21 essays that follow the context-setting introduction are grouped into four parts: Part I: History, Politics, Economics, and Culture; Part II: Ethics, Aesthetics, and Identity; Part III: Resistance, Surveillance, and Simulacra; and Part IV: Thematic Parallels and Literary Traditions. A core bibliography of dystopian and postapocalyptic works is included, with emphasis on the young adult category itself, an increasingly crucial part of postmodern culture. and Everything in Between Christopher J. Olson, CarrieLynn D. Reinhard, 2017-09-20 Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. **Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media** examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products: e.g., comic books, television shows, animated films, films, children's literature meant for children, e.g., toddlers to teenagers. The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they

explore these nontraditional representations and consider what they say about the current state of children's entertainment media popular culture and global acceptance of these gender identities and sexualities Religion and the Arts in The Hunger Games Zhange Ni, 2020-12-15 In this selective overview of scholarship generated by The Hunger Games the young adult dystopian fiction and film series which has won popular and critical acclaim Zhange Ni showcases various investigations into the entanglement of religion and the arts in the new millennium Ni introduces theories methods and the latest developments in the study of religion in relation to politics audio visual art new media material culture and popular culture whilst also reading The Hunger Games as a story that explores the variety complexity and ambiguity of enchantment In popular texts such as this religion and art both broadly construed that is beyond conventional boundaries converge in creating an enchantment that makes life more bearable and effects change in the world *The Amazing Book Is Not on Fire* Dan Howell, Phil Lester, 2015-10-13 THE INSTANT 1 NEW YORK TIMES BESTSELLER From YouTube sensations Dan Howell danisnotonfire and Phil Lester AmazingPhil comes a laugh out loud look into the world created by two awkward guys who share their lives on the Internet More than 11 million YouTube subscribers can't wait for this book Since uploading their first ever videos as teenagers Dan and Phil have become two of the world's biggest YouTube stars Now they invite you on a behind the scenes journey filled with absolutely essential advice tons of humor lots of awkwardness and TMI honesty that they will probably regret Here's just a small sample of the fun surprises readers can look forward to The inside story of that time they met One Direction Excerpts from Phil's teenage diary Reasons why Dan's a fail so far How to draw the perfect cat whiskers Reasons why Phil was such a weird kid back then Quizzes Which of their dining room chairs represents you emotionally What really happened in Vegas In *The Amazing Book Is Not on Fire* Dan and Phil are candid heartfelt and hilarious Their struggles and success haven't changed their strong friendship or their core belief that it's okay to be weird The cat whiskers come from within This full color book is bursting with unseen photographs and drawings making it an ideal gift for that hard to shop for teen Sisters of the Jungle Keriann McGoogan, 2025-09-16 A scientist's memoir that delves into the history of primate field studies and the women who shaped the discipline of primatology including Jane Goodall Dian Fossey Birut Galdikas and Alison Jolly Since the 1970s the science of primatology has been dominated by women a unique reversal with men usually outnumbering women in other science technology engineering and math fields *Sisters of the Jungle* shines a light on a scientific discipline in which women take the lead while transporting readers to the far corners of the earth to understand our closest living relatives Keriann McGoogan's journey as a primatologist has taken her to Belize and Madagascar studying wild primates including howler monkeys the loudest living primate and lemurs the most endangered group of animals on the planet Against this backdrop she explores the stories of the many women who came before her Intrepid scientists like Jane Goodall Dian Fossey Birut Galdikas and Alison Jolly broke boundaries made astonishing discoveries and ultimately shaped the trajectory of an entire branch of science *Focus On: 100 Most Popular American*
