FCC Record United States. Federal Communications Commission,2005 **Sports Market Place** ,2008 The premier reference book for everything and everybody related to the sports industry **Ebony** ,2005-10 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Surfer* ,2006 **Sports Market Place Directory** Richard Gottlieb,2007 **The University of Michigan Law School Alumni Directory** University of Michigan. Law School,2007 **Industrial Transmission and Conveying** ,1928 *Link* ,1983 **Raising Cane in the 'Glades** Gail M. Hollander,2009-11-15 Over the last century the Everglades underwent a metaphorical and ecological transition from impenetrable swamp to endangered wetland At the heart of this transformation lies the Florida sugar industry which by the 1990s was at the center of the political storm over the multi billion dollar ecological restoration of the Everglades Raising Cane in the Glades is the first study to situate the environmental transformation of the Everglades within the economic and historical geography of global sugar production and trade Using among other sources interviews government and corporate documents and recently declassified U S State Department memoranda Gail M Hollander demonstrates that the development of Florida s sugar region was the outcome of pitched battles reaching the highest political offices in the U S and in countries around the world especially Cuba which emerges in her narrative as a model a competitor and the regional other to Florida s self Spanning the period from the age of empire to the era of globalization the book shows how the sugar question a label nineteenth century economists coined for intense international debates on sugar production and trade emerges repeatedly in new guises Hollander uses the sugar question as a thread to stitch together past and present local and global in explaining Everglades transformation **Popeye** Fred M. Grandinetti,2004-08-12 It s a rare comic character who can make audiences laugh for well over half a century but then again it s a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar s gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar s Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a thoroughly updated and revised edition of the highly acclaimed 1994 work Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman s 1980 live action film and Popeye memorabilia
