

Apex World History

Johannes Kuhn

Apex World History:

Faithfully Seeking Understanding Johannes Kuhn, 2009 The selections are taken from chapters of Kuhn's books including his Catholic Dogmatics and from various articles that appeared in the Tübingen quarterly *Die theologische Quartalschrift*. They are arranged according to the following topics: faith and reason; revelation and the personhood of God; responses to Protestant liberalism; theological topics including grace and freedom; theology and the university; and Catholic fundamental theology. Though diverse in subject, when read together the essays yield a complete theological vision that derives from a carefully constructed theological foundation. **Memory in Motion** Ina Blom, Trond Lundemo, Eivind Røssaak, 2025-10-01

How do new media affect the question of social memory? Social memory is usually described as enacted through ritual language, art, architecture, and institutions. Phenomena whose persistence over time and capacity for a shared storage of the past was set in contrast to fleeting individual memory. But the question of how social memory should be understood in an age of digital computing, instant updating, and interconnection in real time is very much up in the air. The essays in this collection discuss the new technologies of memory from a variety of perspectives that explicitly investigate their impact on the very concept of the social. Contributors: David Berry, Ina Blom, Wolfgang Ernst, Matthew Fuller, Andrew Goffey, Liv Hausken, Yuk Hui, Trond Lundemo, Adrian Mackenzie, Sonia Matos, Richard Mills, Jussi Parikka, Eivind Røssaak, Stuart Sharple, Tiziana Terranova, Pasi Vailio.
