Counter-Narrative and Ambivalent Discourse Toward Christianity in African Postcolonial Literature Tatang Iskarna, 2023-05-02 The book Counter narrative and Ambivalent Discourse towards Christianity in African Postcolonial Literature explores the encounters and conflicts between Christianity and African traditional culture represented in three African postcolonial literature Achebe's Arrow of God Thiong'o's The River Between and p Bitek's Song of Lawino Using postcolonial perspective this book reveals a counter narrative discourse against the arrival of Christianity in the three African postcolonial literary works and highlights the ambivalent nature of this resistance as the authors cannot escape the trap of conformity to Christianity and Western hegemony Christianity as a missionary and culturally destructive religion in postcolonial Africa is considered complex religion that can have both positive and negative effects on traditional African societies While it can be a ideological tool of colonialism that destabilizes the fabric of local life it also provides solutions to some local problems This new religious belief disrupts the social structure and cultural traditional in the context of African postcolonial society

Chinua Achebe Toyin Falola, 2024-10-17 An imaginative narratological reading of Chinua Achebe's novels stories poetry and essays through a literary and historical framework Toyin Falola analyzes fictional and historical cartographies of Africa in Achebe's literary works to offer a critical representation of Africa's present and future In particular he focuses on the historical valuation of a full range of the writer's works novels including Things Fall Apart but also short stories poems and essays as important materials that have contributed to the political events in Nigeria and by extension Africa The raw creativity found in Achebe's stories and his ability to tell the Nigerian story precolonial colonial and postcolonial have endeared him to many including readers and those critical of him and his works Chinua Achebe Narrating Africa in Fictions and History analyzes all of the writer's works dwelling on the Nigerian political context upon which many if not all of his narratives lie As a result it examines methodologies of narration and ideologies that allow his works to resonate with the imagination of Africa

Nwauwa,Ogechi E. Anyanwu,2019-10-24 This book provides a unique insight into understanding the Igbo social economic and political world through comprehensive analyses of indigenous and foreign religious practices issues surrounding women literature language sexism in musical lyrics films and community development and government It also explores thought provoking cultural practices relating to marriage and divorce reincarnation naming and masquerade dance The themes covered in the book help readers appreciate the often neglected multifaceted local and external forces that continue to shape the Igbo experience in southeastern Nigeria **The Fall of Lucifer** Carole Cummings,2024-06-10 Before the earth existed Lucifer was created by God as a perfect and beautiful cherub His four faces represent the image of the man the lion the eagle and the ox His two sets of wings and outer garment or covering of brightly shimmering gems and even gold was glorious With these magnificent attributes and perfection God the Father elevated Lucifer to a position of power After becoming prideful and obsessed with himself Lucifer sinned and attacked heaven with his army of angels Jesus described the scene saying I saw Satan fall like lightning from heaven Luke 10 18 Satan took his angels and cherubim with him Revelation 12 4 How could sin change this favored cherub into what is described as an evil dragon or serpent His sin as in all sins separated him from God Without God doing what is right is impossible Satan's idea of right no longer coincided with God's point of view For example Satan was now able to lie God will never lie Numbers 23 19 There is much written about Satan his fallen angels the fallen angels offspring and the demonic forces he controls With scripture as our anchor we will explore Apocryphal books legends across the globe and archeological records to confirm what the Bible says about Satan Even the unspoken record found in the names of stars The zodiac and decan constellations have much to reveal about this enemy of God and man Find out what Satan does not want you to know Critical Perspectives on Chinua Achebe Catherine Lynette Innes,Bernth Lindfors,1978

Theology and Social Issues in Africa Francis Anekwe Oborji,2020-11-22 The Volume speaks to us from the heart and

engages the socio political concerns in the Nigerian context through the lens of a theological approach The author reflects historically the numerous consequences of the amalgamation of the ethnic groups of different orientations in Nigeria into one socio political structure of the colonizers interests This sociopolitical structure raises several questions than answers it pretends to offer the indigenous people From a Nigerian point of view the articles in this volume critically challenge the unjust formation of any nationhood in the Africa context It points out how the sustenance of an unjust nation formation betrays the creed on which such a nation is established Truth conquers all is the spirit with which this Volume is written It is the truth that will set a nation like Nigeria free from the spirit of confusion and unperceived religio socio political syncretism The awareness emanating from this volume suggests liberating steps from the unsuspecting colonial interests and the sustained feigned relationship with the colonizers which militate against the socio political and economic growth and theological orthodoxy of such a growing nation
