Cultures of Memory in Football Fanzines. A Content Analysis Christoph Wagner,2014-04-01 The increasing insecurity in the English society is countered by a resurgence of nostalgia and remembering the old times This phenomenon can be found in football too but it differs from the need for nostalgia that is visible in society High Street shops like Past Times are hugely successful in selling commodities that remember the English Commonwealth with goods from the countries that once belonged to it Also this becomes visible by the many replica items of daily life that are designed in a retro style but contain modern technology such as radios watches alarm clocks and furniture Football fans can purchase replica shirts of their favourite club from the seventies and even earlier In the field of football the introduction of the Premier League in England has changed the face of football massively After the Heysel and Hillsborough disasters football fans got active themselves and started to publish football fanzines In these outlets they mostly opposed the view that every football fan is a hooligan They also used football fanzines as a platform to remember their heroes and glories of eras long gone For this reason cultures of memory did become a part of football fanzines and did so very vivid
