Being Cool The Work Of Elmore Leonard:

Being Cool Charles J. Rzepka, 2013-10 Being cool Learning authenticity Being other s Making imaginary friends Plays well with others Take five Choruses After 1980 Conclusion What happens next **Critical Essays on Elmore Leonard** Charles J. Rzepka, 2020-02-17 A scholarly exploration of Elmore Leonard provides original essays and fresh insights on the author s works and influence Labelled as the closest thing America has to a national novelist Elmore Leonard s clean and direct writing engaging bad guys and deadpan humor resonate with readers around the nation and throughout the world Popular films based on his books continue to introduce new audiences to Leonard s unique way of engaging with complex themes of American culture and pop culture history Yet surprisingly academic treatments of his writing are almost nonexistent **Critical Essays on Elmore Leonard** is an original anthology that covers the topics themes literary and narrative style and enduring influences of one of the finest crime writers in the history of the genre This unique collection of essays explores the ways in which Leonard s work reflects America s dynamic ever changing culture Divided into two parts the book first examines major themes and topics in Leonard s works followed by detailed case studies of five individual works including *Get Shorty* and *Out of Sight* Essays discuss topics such as Leonard s skill at conveying sense of place his use of dress and appearance in his crime fiction the influence of romantic comedies and westerns on his writing and the concepts of moral luck determinism and existentialism found in his novels Unique and thoroughly original this book Covers Leonard s entire career including his early Western novels and his work in visual media Illustrates Leonard s genius at handling free indirect discourse Discusses the author s influence legacy and contemporary relevance in various contexts Explores Leonard s success at making himself invisible in his own writing Includes an insightful introduction from the book s editor **Critical Essays on Elmore Leonard** is an ideal resource for academics and students in the field of genre studies especially crime fiction and general readers with interest in the subject [Perspectives on Elmore Leonard](#) Andrew J. Rausch, 2022-05-09 American crime novelist Elmore Leonard 1925 2013 has a voice that is original and immediately recognizable This collection of original interviews with fellow authors filmmakers collaborators and critics covers all things Leonard from analyses of characterization and dialogue in his writing to his many screen adaptations What makes Leonard s work more cinematic than that of other talented contemporaries is his deceptively simplistic method of description that still manages to paint a vivid picture in the reader s mind The unique perspectives in this collection discuss many of Leonard s 44 novels including those that have been adapted to television and motion pictures like *Get Shorty* *Out of Sight* and *Jackie Brown* **The Cinema of Quentin Tarantino** Kieran Fisher, Andrew J. Rausch, 2025-05-16 Quentin Tarantino is one of the most influential filmmakers to emerge in the last half century His films have been both critically acclaimed and embraced by audiences With an oeuvre that includes such iconic films as *Reservoir Dogs* *Pulp Fiction* *Jackie Brown* *Kill Bill* Volumes 1 2 *Inglourious Basterds* *Django Unchained* and *Once Upon a Time in Hollywood* among others Tarantino s work has had a significant impact on popular

culture with his work frequently being quoted imitated and cited in films on television and in literature Over the span of Tarantino's career critics and scholars have studied and debated the methods artistry and legitimacy of his work This book of original essays assembles a range of critical thought observation and debate about the importance of these films the underlying themes found within them their historical significance and Tarantino's artistic methods These essays employ new perspectives while building on the insights of previous studies Topics include Tarantino's approach to subject matter involving race Tarantino's use of pastiche as a form of adaptation the significance of the appearance of feet in the films and an examination of Tarantino's reworking of Elmore Leonard's novel *Rum Punch* in his film *Jackie Brown* *The Centrality of Crime Fiction in American Literary Culture* Alfred Bendixen, Olivia Carr Edenfield, 2017-06-26 This collection of essays by leading scholars insists on a larger recognition of the importance and diversity of crime fiction in U.S. literary traditions Instead of presenting the genre as the property of Dashiell Hammett and Raymond Chandler this book maps a larger territory which includes the domains of Mark Twain F. Scott Fitzgerald William Faulkner Richard Wright Flannery O'Connor Cormac McCarthy and other masters of fiction The essays in this collection pay detailed attention to both the genuine artistry and the cultural significance of crime fiction in the United States It emphasizes American crime fiction's inquiry into the nature of democratic society and its exploration of injustices based on race class and/or gender that are specifically located in the details of American experience Each of these essays exists on its own terms as a significant contribution to scholarship but when brought together the collection becomes larger than the sum of its pieces in detailing the centrality of crime fiction to American literature This is a crucial book for all students of American fiction as well as for those interested in the literary treatment of crime and detection and also has broad appeal for classes in American popular culture and American modernism

The Detroit Genre Vincent Haddad, 2024-11-12 The first comprehensive investigation of the literary and popular cultural representations of Detroit **Murder in the Closet** Curtis Evans, 2017-01-11 Before the 1969 Stonewall Riots LGBTQ life was dominated by the negative image of the closet the metaphorical space where that which was deemed queer was hidden from a hostile public view Literary studies of queer themes and characters in crime fiction have tended to focus on the more positive and explicit representations since the riots while pre-Stonewall works are thought to reference queer only negatively or obliquely This collection of new essays questions that view with an investigation of queer aspects in crime fiction published over eight decades from the corseted Victorian era to the unbuttoned 1960s *Advertising as a Creative Industry* Izabela Derda, 2023-07-25 At the crossroads of culture and commerce the advertising industry is a regime of paradoxes This book examines the place of advertising in today's creative industries exploring the major challenges advertisers confront as they engage with other creative sectors Izabela Derda author media scholar and industry expert offers insights into how the industry keeps deconstructing its own creative processes and collaborative models as it attempts to stay relevant Through extensive case studies and interviews with industry professionals and thought leaders this book examines the sector's

struggle to adapt to new business models and to monetize creativity in today's media landscape from re-engaging audiences through media more typical of arts and entertainment to managing intricate cross sectoral creative collaborations. From redesigning workplaces to satisfy the expectations of the youngest generations of creatives to reconsidering the paradigm of conventional creative teams, the advertising sector has swiftly adjusted to the seismic changes in today's media landscape. The book will be of interest to scholars and students of creative media advertising and media studies as well as those interested in understanding the changing complexities and latest innovations of the creative industries. Advertising professionals, artists, and policymakers will find relevant insights and possible solutions for the major challenges facing the advertising industry today. Clues: A Journal of Detection, Vol. 33, No. 1 (Spring 2015) Elizabeth Foxwell, 2015-10-13. For over two decades *Clues* has included the best scholarship on mystery and detective fiction. With a combination of academic essays and nonfiction book reviews, it covers all aspects of mystery and detective fiction material in print, television, and movies. As the only American scholarly journal on mystery fiction, *Clues* is essential reading for literature and film students and researchers, popular culture aficionados, librarians, and mystery authors, fans, and critics around the globe.

Noir Fiction and Film Lee Clark Mitchell, 2021. The argument of *Noir Fiction and Film* is curiously counterintuitive: that in a century of hard-boiled fiction and detective films, characteristics that at first seemed trivial swelled in importance, flourishing into crucial aspects of the genre. Among these are aimless descriptions of people and places irrelevant to plot, along with detectives consisting of little more than sparkling dialogue and flippant attitudes. What weaves together such features, however, seems to be a paradox: that a genre rooted in solving a mystery structured around the gathering of clues must do so by misdirecting our attention, even withholding information we think we need to generate the suspense we also desire. Yet successful noir stories and films enhance that suspense through passing diversions, descriptive details, and eccentric perspectives rather than depending on the center pieces of plot alone: suspected motives or incriminating traces. As the greatest practitioners of the genre have realized, the how of detective fiction, its stylistic detours, draws us in more insistently than the what or the who, its linear advance. And the achievement of recent film noir is to make that how become the tantalizing object of our entire attention, shorn of any pretense of reading for the plot, immersing us in the diversionary delight that has animated the genre from the beginning.
