Book And Down Royals Provocations Joan Smith:

Down With the Royals Joan Smith, 2015-03-24 When Prince George was just eight weeks old the Evening Standard declared him to be the most influential person in London He couldn't even walk let alone talk Yet one day he could become head of state whether we like it or not Joan Smith argues that it has become nearly impossible to question the existence of the monarchy Articulate republicans are drowned out while the supercharged PR and media machines ask only who designed Kate's dresses Smith topples the arguments for having a monarchy one by one The royals don't provide a boost for tourism and their deliberately opaque accounting conceals the truth about the huge burden they place on the public purse And she exposes darker truths These symbols of so called impartiality have hidden power and influence Not only does Charles regularly lobby government ministers but far from the sycophantic reporting of Kate's baby bump the royals have dined with despots with blood on their hands Are these people really fit to be the public face of a modern country Ultimately Smith declares that the monarchy undemocratic unaccountable and shockingly expensive has no place in modern Britain Giving is Good For You John Nickson, 2013-05-23 Inequality in Britain is on the rise Does this matter Should we be bothered that the rich give proportionately much less than the poor And that only a small minority of the very wealthy are giving generously Ninety per cent of NHS trusts are restricting routine operations Youth unemployment is at record levels Meanwhile those on the Sunday Times Rich List have increased their wealth by 280 per cent since the turn of the millennium amidst press reports of massive tax avoidance For the first time in living memory children cannot expect to be as well off as their parents Wealth and privilege are under scrutiny Giving is Good for You demonstrates that growing inequality and poverty are a threat to everyone even the wealthy and that the most unequal societies are the most dysfunctional unhealthy and violent A generous minority are urging their peers to follow suit arguing that in addition to enhancing public benefit as public spending falls giving can be personally fulfilling particularly for those who realise that money is not the key to human happiness The author asks philanthropists charities and those they support what should be done to encourage us to give more of our money and more of our time to good causes The solutions they propose will challenge us all but particularly the wealthy elite and the government *Smith's Weekly Volume* ,1845 The Athenaeum ,1847 **The Athenæum** ,1847 **Athenaeum and Literary Chronicle** ,1847 The Examiner ,1854 **The Illustrated London News** ,1858 The London Journal: and Weekly Record of Literature, Science, and Art ,1862 **The Gardeners' Chronicle and Agricultural Gazette** ,1851
