Book And Dollarlogic Six Day Achieving Investment Conquering:

Dollarlogic Andy Martin, 2025-09-12 Risk does not equal reward This is the proprietary thesis of Dollarlogic and what separates Martin's message from the rest of the buy buy buy investment industry Risk does not equal reward in relationships behind the wheel of a car or in any other aspect of life so why should it in the highly varied and sophisticated world of investing In Dollarlogic Wall Street veteran Andy Martin explains what risk really is why stocks are actually less risky than bonds and why predicting yourself is more important than predicting the stock market The new investment philosophy of Dollarlogic will show you how and why to make the important changes in your investing habits that could make a meaningful difference in your life and legacy Although it may be true that money can't buy happiness it can buy just about everything else In this practical and readable book you'll learn The four types of investors and how to become the right one How losing less is better than winning more How to stop chasing returns and start chasing and winning odds Why a higher return investment can actually make you less money Why your no load fund could be much more expensive than you think
