Book And Human Development Across Life Span:

Human Development Across the Life Span Fergus P. Hughes, Lloyd D. Noppe, 1985 A thorough comprehensive topical introduction to human development In rejecting classic age and stage treatments of human development these authors take an approach that better shows the continuity of the developmental process They emphasize the interdisciplinary nature of the field by integrating pertinent ideas from such diverse sources as sociology biology and cultural anthropology This edition embraces more discussion of infancy greater coverage of the adult and a more thorough look at the role of women in a person's growth and development than the previous edition Journey Across the Life Span Elaine Polan, Daphne Taylor, 2023-02-23 Journey Across the Lifespan 7th Edition is also available in Davis Advantage LPN LVN Full Curriculum or Completer Set Take a fascinating journey through the life cycle Here's just what you need to safely and effectively care for your patients at any stage of life in today's ever changing world of health care The 7th Edition of this popular student friendly text guides you through the life cycle from conception to old age with an emphasis on health promotion maintenance and restoration in clinical practice Human Development Across the Lifespan John S. Dacey, John F. Travers, 2002 This chronologically organized text is less expensive and briefer than most of the Human Lifespan texts Its numerous examples drawn from education nursing and psychology make the content relevant to students from a variety of majors and backgrounds while a highly praised study guide integrated into the text promotes and reinforces conceptual understanding The new edition includes increased material on cognitive development and expanded coverage of culture *Journey Across the Life Span* Elaine U Polan, Daphne R Taylor, 2019-01-16 Here's just what you need to effectively care for your patients at any stage of life in today's ever changing world of health care Elaine Polan and Daphne Taylor guide you through the life cycle from conception to old age with an emphasis on health promotion maintenance and restoration in clinical practice
