Booknotes Stories From American History:

Booknotes: Stories from American History Brian Lamb, 2002-09-01 Lamb collects top stories from American history that shaped the country penned by leading historians *Booknotes Stories From American History Leading Historians On The Events That Shaped Our Country* Brian Lamb, 2001 Contemporary writers and historians examine specific events that have shaped American history from the Boston Tea Party to the final days of the first Bush administration *American History Revised* Seymour Morris Jr., 2021-08-03 We tend to think of history as settled set in stone but *American History Revised* reveals a past that is filled with ironies surprises and misconceptions Living abroad for twelve years gave author Seymour Morris Jr the opportunity to view his country as an outsider and compelled him to examine American history from a fresh perspective As Morris colorfully illustrates through the 200 historical vignettes that make up this book much of our nation s past is quite different and far more remarkable than we thought We discover that In the 1950s Ford was approached by two Japanese companies begging for a joint venture Ford declined their offers calling them makers of tin cars The two companies were Toyota and Nissan Eleanor Roosevelt and most women s groups opposed the Equal Rights Amendment forbidding gender discrimination The two generals who ended the Civil War weren t Grant and Lee The 1 bestselling American book of all time was written in one day The Dutch made a bad investment buying Manhattan for 24 Two young girls aimed someday to become First Lady and succeeded Three times a private financier saved the United States from bankruptcy Organized into ten thematic chapters *American History Revised* plumbs American history s numerous inconsistencies twists and turns to make it come alive again **Booknotes** Brian Lamb, 2002 American history is shaped by great and small events and in recent years a generation of writers has brought these events to life They have shared these stories with the viewers of the long running C SPAN author interview program *Booknotes* and here some of the best have been collected for readers to savor In this volume more than eighty contemporary writers and historians examine seminal moments from American history celebrated and uncelebrated alike *Booknotes* offers readers conversational essays edited from the interview show providing an enticing selection of author subject pairings For anyone interested in America s rich history and especially the devoted fans of C SPAN s *Booknotes* this is an engaging compendium of information opinions and new perspectives *Encyclopedia of Television* Horace Newcomb, 2014-02-03 The *Encyclopedia of Television* second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the *Encyclopedia of Television* 2nd edition website **First Ladies** Susan Swain, C-SPAN, 2015-04-14 A look inside the personal life of every first lady in American history based on original interviews with major historians C SPAN s yearlong history series *First Ladies* Influence and Image featured interviews with more than fifty preeminent historians and biographers In this informative book these experts paint intimate portraits of all forty five first ladies their lives ambitions and unique partnerships with their presidential spouses Susan Swain

and the C SPAN team elicit the details that made these women who they were how Martha Washington intentionally set the standards followed by first ladies for the next century how Edith Wilson was complicit in the cover up when President Wilson became incapacitated after a stroke and how Mamie Eisenhower used the new medium of television to reinforce her and her husband s positive public images This book provides an up close historical look at these fascinating women who survived the scrutiny of the White House sometimes at great personal cost while supporting their families and famous husbands and sometimes changing history Complete with illustrations and essential biographical details it is an illuminating entertaining and ultimately inspiring read

The Presidents Brian Lamb, Susan Swain, 2019-04-23 The complete rankings of our best and worst presidents based on C SPAN s much cited Historians Surveys of Presidential Leadership Over a period of decades C SPAN has surveyed leading historians on the best and worst of America s presidents across a variety of categories their ability to persuade the public their leadership skills their moral authority and more The crucible of the presidency has forged some of the very best and very worst leaders in our national history along with everyone in between Based on interviews conducted over the years with a variety of presidential biographers this book provides not just a complete ranking of our presidents but stories and analyses that capture the character of the men who held the office From Abraham Lincoln s political savvy and rhetorical gifts to James Buchanan s indecisiveness this book teaches much about what makes a great leader and what does not As America looks ahead to our next election this book offers perspective and criteria to help us choose our next leader wisely

The Thirteen American Arguments Howard Fineman, 2009-03-10 Howard Fineman one of our most trusted political journalists shows that every debate from our nation s founding to the present day is rooted in one of thirteen arguments that thankfully defy resolution It is the very process of never ending argument Fineman explains that defines us inspires us and keeps us free At a time when most public disagreement seems shrill and meaningless Fineman makes a cogent case for nurturing the real American dialogue The Thirteen American Arguments runs the gamut including Who Is a Person The Declaration of Independence says everyone but it took a Civil War the Civil Rights Act and other movements to make that a reality Now what about human embryos and prisoners in Guantanamo The Role of Faith No country is more legally secular yet more avowedly prayerful From Thomas Jefferson to James Dobson the issue persists Where does God fit in government America in the World In Iraq and everywhere else we ask ourselves whether we must change the world in order to survive and honor our values or whether the best way to do both is to deal with the world as it is Whether it s the nomination of judges or the limits of free speech presidential power or public debt the issues that galvanized the Founding Fathers should still inspire our leaders thinkers and fellow citizens If we cease to argue about these things we cease to be Argument is strength not weakness says Fineman As long as we argue there is hope and as long as there is hope we will argue
