The Complete Works of Charles Dickens Charles Dickens, 2009-01-01 It is impossible to overstate the importance of British novelist CHARLES DICKENS 1812 1870 not only to literature in the English language but to Western civilization on the whole He is arguably the first fiction writer to have become an international celebrity He popularized episodic fiction and the cliffhanger which had a profound influence on the development of film and television He is entirely responsible for the popular image of Victorian London that still lingers today and his characters from Oliver Twist to Ebenezer Scrooge from Miss Havisham to Uriah Heep have become not merely iconic but mythic But it was his stirring portraits of ordinary people not the upper classes or the aristocracy and his fervent cries for social moral and legal justice for the working poor and in particular for poor children in the grim early decades of the Industrial Revolution that powerfully impacted social concerns well into the 20th century Without Charles Dickens we may never have seen the likes of Sherlock Holmes Upton Sinclair or even Bob Dylan Here in 30 beautiful volumes complete with all the original illustrations is every published word written by one of the most important writers ever The essential collector's set will delight anyone who cherishes English literature and who takes pleasure in constantly rediscovering its joys This volume contains Pictures from Italy an 1846 travelogue featuring delightful observations on the street life of the great cities of that land and American Notes a journal of Dickens's 1842 visit to the United States and Canada the trip that provided the inspiration for his novel Martin Chuzzlewit **Charles Dickens** Charles Dickens, 2018-03-13 This superb collection of classic Victorian literature features the most notable works of Charles Dickens including Oliver Twist 1839 A Christmas Carol 1843 A Tale of Two Cities 1859 and Great Expectations 1861 Considered the greatest novelist of the Victorian era Dickens was especially known for his unusual characters incisive social commentary and carefully constructed plots Over the last two centuries his popular fiction has continued to inspire adaptations in nearly artistic genre and now it is available complete and unabridged in this gorgeous slipcase edition The stylish clothbound hardcover also features a ribbon marker historical timeline and comprehensive introduction enlightening the reader on the author's life and works **The Best of Charles Dickens' Classics** Anne De Graaf, Charles Dickens, 2003 Four great stories of how good triumphs over evil rewritten for today's children **The Chimes** Charles Dickens, 2004-02 Dickens Christmas Books in Large Print Volume 2 The Chimes is the second in a series of five novels that Charles Dickens wrote for the Christmas season This LARGE PRINT edition is designed in 14 point Century Schoolbook for easy reading and includes an original introduction as well as a bonus essay What Christmas Is As We Grow Older Filled with an array of comic characters The Chimes tells the story of Toby Veck or Trotty a humble porter whose loses his faith in human nature at the hands of his presumed social superiors but regains it thanks to the spirits of the bells **The Christmas Books of Charles Dickens** Charles Dickens, 2004 A Charles Dickens Christmas Charles Dickens, 2014-05-27 A compendium of four of Charles Dickens's Christmas stories A Charles Dickens Christmas includes The Chimes 1844 The Cricket on the Hearth 1845
