

The background of the cover is a dark, moody photograph of a forest. Sunlight filters through the trees, creating a pattern of light and shadow on the ground. In the foreground, there is a pool of water with concentric ripples, suggesting a recent disturbance. The overall tone is mysterious and naturalistic.

The Art of Redemption Stuart Wilde, 2007-08-01 For decades modern seekers have experimented and studied with many diverse teachers and religions but Stuart Wilde says that toward the end of a long spiritual journey we all seek the same thing redemption None of us is perfect and yet through embracing that imperfection and reconciling it we become a complete being encompassing both the light and the dark As Stuart says Many mystics holy people and even the Hopi Indians have predicted a new age of enlightenment

gesture of goodwill and compassion Stuart Wilde Stuart reveals the psychological aspects of the money game as well as the deeper metaphysical secrets of prosperity He reminds us that comprehending the ebb and flow of money in our lives is one of the great spiritual lessons of the Earth plane as are physical balance love and interpersonal relationships Throughout history philosophers and great religious leaders have taught us that there is divine abundance which ebbs and flows through our lives as the seasons do Money is just a symbol of the infinite goodness that gave us life The Little Money Bible lets us know that we can be rich and spiritual With wealth we can help others strengthen themselves so that they can also accumulate money Abundance Stuart reminds us is our birthright
