Made Men Joseph Stone Poke, 2017-03-24 Welcome to the streets of Macon, Georgia, the world's seventh most dangerous city in the world. This is a novel about the pure streets of Macon, Georgia, the home of Otis Redding, Little Richard and many more great artists and musicians. For those of you who haven't been to the Mac Town and are afraid to come, trust me, I do understand completely. Here is where it really goes down: money, murder and mayhem. The streets of Macon are for real, but you don't have to take my word for it. Come take a ride with me through the streets of the Mac Town. Tony Black, a suave intellectual, rich businessman, caught up in a web of deceit and corruption. Tony is trying to balance his life between a betrayal from his good friend, his new girlfriend and running his chain of luxury hotels, but tragedy has taken Tony to a whole other level, to a place he swore never to return. Shantell, a beautiful, successful woman who found her way into the life of a man she was in love with, although he never knew. Through a horrific tragedy, they were brought together and she found herself into a world unknown to her, full of power, luxury and loyalty, although it has its dark sides. But is it for the good? Will she be able to withstand the powers placed in her hands? Or will she prove not to meet any of Tony Black's expectations? Never bite the hand that feeds you. Because you will regret it.
