Storyville : The Prostitute Murders #4 Gary Reed, 2015-09-24 The investigation makes headway as answers start to develop that explain the murders A society of businessmen who banded together for profit and appearances may be the key to the murders In a city full of disease before the era of antibiotics deadly diseases may also play a major role But the investigators have to be careful as the city is on the precipice of another riot which decimated the city a decade earlier Part 4 of 5

Storyville: The Prostitute Murders #1 Gary Reed, 2015-09-24 Set in the Storyville district of 1910 New Orleans which was the home for the Devil's Blues which later

became known as jazz The legalized red light district ran for 25 years and virtually everything was permitted from sex to booze from gambling to drugs The only thing that was not acceptable was murder because murder was bad for business When prostitutes and their customers start being killed Detective Brian Donahue a transplant from Chicago finds he has no answer to these seemingly random murders Pressured by the local political machine Donahue enlists the aid of Dr Eric Trevor a psychiatrist at the nearby Saint James Infirmary a hospital for the mentally ill It is hoped that Dr Trevor will provide the answers these seemingly random and vicious crimes And the two of them embark to unravel the mystery of this new type of killer seldom seen before a serial killer From the mind of Gary Reed writer of the critically acclaimed Renfield and Saint Germaine Part 1 of 5 *Storyville: The Prostitute Murders #3* Gary Reed,2015-09-24 While attempting to solve the Storyville district murders in 1910 New Orleans Dr Eric Trevor finds out that Detective Donahue is much more resourceful than he thought as he is invited to participate in Donahue s private investigation since officially things have to be kept quiet so as not to disrupt the thriving economic base of Storyville New to the city Trevor finds out about the past of Storyville while at the same time attending his Saint James Infirmary patients including a 15 year old boy who murdered his two friends for no apparent reason Trevor explains to the investigative police team about the ideas behind Jack the Ripper and how the cases might be eerily similar Part 3 of 5 *Storyville: The Prostitute Murders #2* Gary Reed,2015-09-24 While attempting to solve the Storyville district murders in 1910 New Orleans Detective Brian Donahue comes under pressure by his superiors and local political machine and enlists the aid of Dr Eric Trevor a psychiatrist at the nearby Saint James Infirmary a hospital for the mentally ill Dr Trevor is at first reluctant to join his main concern is for his patients not the police s work but understands his value to the investigation As he evaluates the mounting crime scenes he begins to formulate his own idea of why the crimes are occurring and that perhaps it was not the prostitutes that were the intended victims but actually their customers Part 2 of 5 *Storyville: The Prostitute Murders #5* Gary Reed,2015-09-24 The conclusion to the mystery as Trevor finds out the key suspect was a patient at Saint James Infirmary But even identifying the murderer still leaves the question of motive Donahue Trevor and the support team lay a trap for the killer in hope that they not only stop the murders but find out why as well Part 5 of 5
