

She created the soundtrack of our lives. Now, at last, she tells the stories behind the music. Here is the long-awaited memoir from one of the world's most acclaimed musical talents—Carole King.

A NATURAL WOMAN

From her beginnings as a teenage songwriter who hid from the spotlight to her first time timidly singing lead in front of an audience to her present-day status as a consummate pro performing her beloved songs in front of thousands, King chronicles her extraordinary career, taking readers deep into the world of music from the 1960s through today. Woven throughout are King's deeply personal and revealing descriptions of her childhood in Brooklyn, her experience as a young bride and then a young mother, her subsequent moves all over the country, and the relationships with men and fellow musicians that shaped who she is and why she is the artist, mother, and woman she is today.

Enthralling and insightful, *A NATURAL WOMAN* is truly a front-row seat to the woman behind the legend.

"As rich and soulful as one of her hit songs . . . Running through the entire narrative is King's passionate love and deep knowledge of music."

—EntertainmentWeekly.com

"Searing . . . King weaves a tapestry of both wondrous magic and deepest darkness . . . [She] clearly needs no melody to put her words to great effect."

—Toronto Globe and Mail

And after hearing Charlie Manson sing Neil Young recommended him to the president of Warner Bros Records.
