A Queer Sort Of Materialism A Queer Sort Of Materialism:

A Queer Sort of Materialism David Savran, 2003 An eclectic collection of essays on theater and its decline as highbrow culture under the influence of theme parks and blockbuster movies *Approaching the Millennium* Deborah R. Geis, Steven F. Kruger, 1997 Leading critics scholars and theater practitioners consider the most talked about play of the 1990s The Oxford Handbook of Music and the Middlebrow Kate Guthrie, Christopher Chowrimootoo, 2025-03-06 The Oxford Handbook of Music and the Middlebrow takes a fresh look at the history of nineteenth and twentieth century music Offering an alternative to the traditional focus on either highbrow modernism on the one hand or lowbrow popular music on the other its novel view centers on the wealth of previously overlooked products and practices that bridged the space between these cultural extremes While seminal attempts to recover middlebrow culture came from literary critics and historians middlebrow studies is now a burgeoning field within musicology As the first essay collection on this topic this handbook has two aims first it seeks to explore the middlebrow as a historical phenomenon excavating the kinds of critical writings marketing practices and compositional styles with which it was associated By reanimating a range of musical practices and products from symphonic concerts to Broadway musicals opera criticism to rock journalism and modern jazz to pop rock the contributors investigate how artists critics and audiences breached the divide from both above and below In the process the handbook chapters push the boundaries of middlebrow studies and demonstrate the category's relevance outside of the mid twentieth century Anglophone world by delving into the nineteenth century interrogating the present day and looking to Germany Russia and beyond The handbook's second aim is to complicate the disciplinary divisions that have flowed from the entrenched oppositions between high and low genres Breaking new ground by bringing together scholars of classical and popular music these chapters trace common middlebrow themes across traditional disciplinary boundaries Across this broad vista contributors account for the kinds of syntheses overlaps and juxtapositions that made the cultural middle such a richly textured and endlessly contested terrain Love and Anger Peter Franzblau Cohen, 1998 This is one of the first books to take an interdisciplinary approach to AIDS activism and politics by looking at the literary response to the disease class issues and the AIDS activist group ACT UP Containing both literary analysis and interviews with activists Love and Anger integrates fact and fiction in a scholarly yet comprehensible manner It will provide readers with a deeper understanding of AIDS activism the politics of AIDS and the attitudes and feelings of those affected by the disease **The Methuen Drama Guide to Contemporary American Playwrights** Christopher Innes, Peter Paul Schnierer, Martin Middeke, Matthew C. Roudané, 2013-12-19 Unrivalled in its coverage of recent work and writers The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth vitality and development of theatrical work to emerge from America over the last fifty years This authoritative guide leads you through the work of 25 major contemporary American playwrights discussing more than 140 plays in detail Written by a team of 25 eminent international scholars each chapter provides a

biographical introduction to the playwright's work a survey and concise analysis of the writer's most important plays a discussion of their style dramaturgical concerns and critical reception a bibliography of published plays and a select list of critical works Among the many Tony Obie and Pulitzer prize winning playwrights included are Sam Shepard Tony Kushner Suzan Lori Parks August Wilson Paula Vogel and Neil LaBute The abundance of work analysed enables fresh illuminating conclusions to be drawn about the development of contemporary American playwriting The Oxford Handbook of The American Musical Raymond Knapp, Mitchell Morris, Stacy Wolf, 2013-03 This text presents keywords and critical terms that deepen analysis and interpretation of the musical Taking into account issues of composition performance and reception the book's contributors bring a range of practical and theoretical perspectives to bear on their considerations of American musicals Gestures of Music Theater Dominic Symonds, Millie Taylor, 2014-02 Gestures of Music Theatre The Performativity of Song and Dance offers new cutting edge essays focusing on song and dance as performative gestures that not only entertain but also act on audiences and performers The chapters range across musical theatre opera theatre and other artistic practices from Glee to Gardzienice Beckett to Disney Broadway to Turner Prize winning sound installation The chapters draw together these diverse examples of vocality and physicality by exploring their affect rather than through considering them as texts The book's contributors derive methodologies from many disciplines Resisting discrete discipline based enquiry they share methodologies and performance repertoires with discipline based scholarship from theatre studies musicology and cultural studies amongst other approaches Together they view these as neighboring voices whose dialogue enriches the study of contemporary music theatre Historical Dictionary of Contemporary American Theater: 1930-2010 James Fisher, 2011-06-01 From legends like Eugene O'Neill Tennessee Williams and Arthur Miller to successful present day playwrights like Neil LaBute Tony Kushner and David Mamet some of the most important names in the history of theater are from the past 80 years Contemporary American theater has produced some of the most memorable beloved and important plays in history including Death of a Salesman A Streetcar Named Desire Barefoot in the Park Our Town The Crucible A Raisin in the Sun and The Odd Couple Historical Dictionary of Contemporary American Theater presents the plays and personages movements and institutions and cultural developments of the American stage from 1930 to 2010 a period of vast and almost continuous change It covers the ever changing history of the American theater with emphasis on major movements persons plays and events This is done through a chronology an introductory essay an extensive bibliography and over 1 500 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the history of American theater **The Bible in Film — The Bible and Film** J.Cheryl Exum, 2021-10-18 Biblical scholars and students are finding the role of the Bible in film an increasingly absorbing and rewarding topic There are films that retell biblical narratives and there are films that allude to the Bible or otherwise build on or appropriate biblical themes and images The eleven lively and provocative articles in this volume explore both types of

film showcasing the cinema's impact on the perception of the Bible in modern culture Originally published as issue 1 2 of Volume 14 2006 of Brill's journal Biblical Interpretation For more details on this journal please click here [Teaching Literature in Virtual Worlds](#) Allen Webb, 2012-03-12 What are the realities and possibilities of utilizing on line virtual worlds as teaching tools for specific literary works Through engaging and surprising stories from classrooms where virtual worlds are in use this book invites readers to understand and participate in this emerging and valuable pedagogy It examines the experience of high school and college literature teachers involved in a pioneering project to develop virtual worlds for literary study detailing how they created utilized and researched different immersive and interactive virtual reality environments to support the teaching of a wide range of literary works Readers see how students role play as literary characters extending and altering character conduct in purposeful ways and how they explore on line interactive literature maps museums archives and game worlds to analyze the impact of historical and cultural setting language and dialogue on literary characters and events This book breaks exciting ground offering insights pedagogical suggestions and ways for readers to consider the future of this innovative approach to teaching literary texts
