A Midsummer Nights Dream Shakespeare Parallel Text Series:

Midsummer Night's Dream William Shakespeare, 1987 **A Midsummer Night's Dream** William Shakespeare, 1987
Presents the original text of Shakespeare's play side by side with a modern version discusses the author and the theater of his time and provides quizzes and other study activities A Midsummer Night's Dream, William Shakespeare, 1997 *A Midsummer Night's Dream: Arden Performance Editions* William Shakespeare, 2017-10-19 For the first time the world renowned Arden Shakespeare is producing Performance Editions aimed specifically for use in the rehearsal room Published in association with the Shakespeare Institute the text features easily accessible facing page notes including short definitions of words key textual variants and guidance on metre and pronunciation a larger font size for easier reading space for writing notes and reduced punctuation aimed at the actor rather than the reader With editorial expertise from the worlds of theatre and academia the series has been developed in association with actors and drama students The Series Editors are distinguished scholars Professor Michael Dobson and Dr Abigail Rokison and leading Shakespearean actor Simon Russell Beale **'A Midsummer Nights Dream' in Context** Keith Linley, 2016-11-21 Everything you need to know about the cultural contexts of A Midsummer Night's Dream Is this just a light hearted romp or is Shakespeare trying to make serious points about courtship love marriage and human folly This book provides detailed in depth discussion of the various influences that an Elizabethan audience would have brought to interpreting the play How did people think about the world about God about sin about kings about civilized conduct about the magic and madness of love and attraction Historical literary political sociological backgrounds are explained within the biblical moral matrices by which the play would have been judged This book links real life in the late 1590s to the world on the stage Discover the orthodox beliefs people held about religion Meet the Devil Sin and Death Learn about the social hierarchy gender relationships court corruption class tensions the literary profile of the time attitudes to comedy and all the subversions transgressions and oppositions that made the play a hilarious farce but also an unsettling picture of a world so close to disaster **Romeo and Juliet. Reprint of Qo. 2, 1599** New Shakspeare Society (Great Britain), William Shakespeare, 1874 **The New Shakspeare Society** New Shakspeare Society, 1879 **Enchanted Shows** Elissa Hare, 2017-04-07 The book first published in 1988 examines the role of magic in Elizabethan and Shakespearean theatre The author observes how certain plays including Shakespeare's A Midsummer Night's Dream and The Tempest rationalise the unrealism and improbabilities typical of romantic comedy as miracles wrought by specifically magical intervention The author also explores the ways in which playwrights justify structural discontinuity by the working of magic This title will be of interest to students of English Literature Drama and Performance New Shakespeare-Society, 1874 **The Life of Henry the Fifth** William Shakespeare, 1880 In this edition of Shakespeare an attempt is made to present the greater plays of the dramatist in their literary aspect and not merely as material for the study of philology or grammar Criticism purely verbal and textual has only been included to such an extent as may serve to help the

student in the appreciation of the essential poetry Questions of date and literary history have been fully dealt with in the Introduction but the larger space has been devoted to the interpretative rather than the matter of fact order of scholarship Aesthetic judgments are never final but the Editors have attempted to suggest points of view from which the analysis of dramatic motive and dramatic character may be profitably undertaken In the Notes likewise while it is hoped that all unfamiliar expressions and allusions have been adequately explained yet it has been thought even more important to consider the dramatic value of each scene and the part which it plays in relation to the whole These general principles are common to the whole series in detail each Editor is alone responsible for the play or plays that have been intrusted to him Every volume of the series has been provided with a Glossary an Essay upon Metre and an Index and Appendices have been added upon points of special interest which could not conveniently be treated in the Introduction or the Notes The text is based by the several Editors on that of the Globe edition the only omissions made are those that are unavoidable in an edition likely to be used by young students By the systematic arrangement of the introductory matter and by close attention to typographical details every effort has been made to provide an edition that will prove convenient in use Typographical errors above are due to OCR software and don't occur in the book
