A Pearl Among Princes:

A Pearl Among Princes Coleen Paratore, 2009-09-17 Gracepearl Coal is the cook's daughter on Miramore the island all princes visit for their summer program in the Charming Arts Each year the princes in training arrive on gallant seacraft guided by captains trained to navigate the island's treacherous waters Passage on one of these boats is the only method to leave the island thus betrothal to a royal is the only way for Pearl to find her far off destiny the one that's started haunting her dreams but how will Pearl leave behind her ailing father or hardest of all marry a boy other than her long time beloved Mackree who now finds it too painful to even speak to her A Pearl Among Princes Coleen Paratore, 2009 As her sixteenth birthday approaches Gracepearl feels her deceased mother guiding her toward a decision between life on a remote agrarian island with her childhood love or somewhere far away with a young man in training to be a prince *Ὁ Θησαυρὸς ἐν ὀστρακίνοις σκευεσιν: a pearl in an oyster-shell; or, pretious treasure put in perishing vessels. Happy Prince and Other Stories Oscar Wilde, 2009-02 0000000000 The richness of Oscar Wilde's way with words and ideas are given full range in this sparkling collection of short stories written between 1887 and 1891 There are ghost stories moral tales detective fiction and above all fairy stories here to delight and entertain From the comically unsuccessful and unhappy spook in *The Canterville Ghost* to the incompetent would be murderer in *Lord Arthur Saville's Crime* we are treated to the extravagance and dexterity of Wilde's wit However it is particularly in the fairy stories that we see the brilliance of Wilde's vision of society and human action with each tale having both beauty and simplicity while at the same time exploring complex moral issues The challenge and pleasure of Wilde's short stories is the simultaneous appeal to both child and adult with their themes of Love Truth and Sacrifice which are as relevant today as they were when they were written Illustrated by Aubrey Beardsley with an Afterword by David Stuart Davies PRINCESS WHITE FLAME - The Adventures of Prince Radiance and Princess Whileflame in the Fire Kingdom Gertrude Crownfield, 2018-10-20 This is a children's story about a curse placed on Princess White Flame of the Fire Fairies and how it was lifted In this story you will hear tell of Prince Radiance and Princess White Flame who lived in the Fire Country and of many strange and wonderful adventures on which they journeyed on to reach at last a never ending happiness OF all the fairy countries in the world none is more wonderful or beautiful than the country where the Fire Fairies live Into that land no fairies of the earth or air or water dare venture They would be seared or changed to ash or vapor There are many doors which open into the Fire Kingdom They number in the thousands and hundreds of thousands Wherever you see the firelight flicker wherever you see flames leaping and dancing wherever you hear the snap of the burning logs there you may be sure is an open door Then if you choose to creep close to it and peer in

you may perhaps see wonderful things fairy forms that flit and vanish and reappear and vanish again among the leaping flames Perhaps also you may see the shining domes and glittering turrets of the fairy palaces But when the fire burns down and the hearth grows dark the door is closed there is no more to be seen of that wonderland In the very heart of the Fire Country stands the palace of King Red Flame the gleaming flame coloured palace the Palace of Burning Coals Around it lies a wonderful garden where paths wind away among great fields of fire lilies and flame roses lift their heads and the tall shining trees rustle in the wind with a sound like the whispering of the fire on the hearth Here in this glowing country the good and happy fairies work and play and serve their king as all good fairies should But not all fairies in this land are good and happy Beyond the glow of the roses and the lilies beyond all sight of the glimmering trees there lies another part of the country where the evil fairies live Here are great Plains of Ash and huge Caverns of Soot and stretches of gloom in which the Shadow Witch comes and goes Here lurk the Imps of Darkness Dragons crouch and Wizards dwell Perhaps sometimes when you have looked into the Fireplace you have seen those dismal plains and darksome valleys They lie away from the heart of the Fire at the side of the Hearth and between the flames and the heaps of ashes Yesterday s Books for Today s Charities 10% of the profit from the sale of this book will be donated to charity KEYWORDS TAGS children s stories folklore fairy tales folk tales myths legends storyteller bedtime story moral stories happiness fable Princess Whiteflame Ash black blonde body break breast brother Burning Cave Chimney Cloak Coals cradle Curling curls dark Dragon Earth entrance errand evil Fairies Fairy Fire firm Flame Flames Flying folds garden Giant Glow Goblin gold golden Green Grey head King Land love magic Majesty messenger palace pass presence Prince Princess pure Queen Radiance Red restore rose Shadow shining Smoke Soot spell Sword Veil wand whisper white Whiteflame wicked Wind Wisdom Wise Witch Wizard *The Prince and the Assassin* Steve Harris,2018-09-01 The engrossing real life story of how Queen Victoria s favourite son Prince Alfred undertook the most ambitious Royal tour only for Australia s overwhelming joy of having the first Royal on its shores jolted by his decadent behaviour then shocked by an attempted assassination by a man trained as a priest The British Empire s youngest and most distant outpost found itself at the epicentre of a new crime and empirical fears about the first inter continental terrorist group a conspiracy and a lone wolf In a resulting reign of terror extraordinary steps were taken to safeguard security with laws on treason and sedition which even the Queen felt went too far and the would be assassin was hastily executed in a miscarriage of justice led by opportunistic politicians This is an extraordinary and atmospheric weaving of the stories some detailed for the first time of royal intrigue sexual appetite religious bigotry patriotic vengeance naked ambition national security and moral panic They are stories of royals immigrants archbishops republicans and the founding fathers of Australia and issues that remain with us today Drawing on Royal British and Australian archives the compelling narrative embraces a pivotal time in the evolution of Australia and on the 150th anniversary reveals how a minute of madness rocked the country to its foundations with a legacy which helped shape Australia s history and continues to influence and challenge us today
