A Peculiar Prophet William H Willimon And The Art Of Preaching

Bishop William H. Willimon

A Peculiar Prophet William H Willimon And The Art Of Preaching:

A Peculiar Prophet William H. Willimon, William F. Malambri, 2004 In this book editors Michael A Turner and William F Malambri III make Willimon's role as a mentor to preachers more available than ever Both former students they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon's sermons and commentary on them by other leading preachers and homileticsians such as Tom Long Marva Dawn Peter Gomes and Fleming Rutledge The point of this examination of Willimon's work is not to simply praise it but to assess both its strengths and its weaknesses and to help the reader learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit BOOK JACKET

A Peculiar Prophet Michael A. Turner, 2010-09-01 There is no more trusted mentor of preachers in North American Christianity today than William H Willimon The author of over sixty books a frequent preacher and teacher in pastors schools and events Willimon has earned a following as one of the people to whom preachers turn more often than any other Turner and Malambri make Willimon's role as a mentor to preachers more available than ever Both former students of Willimon's they provide detailed and practical tools for learning from this peculiar prophet They offer samples of Willimon's sermons and commentary on them by other leading preachers and homileticsians such as Tom Long and Peter Gomes The point of this examination of Willimon's work is not simply to praise it but to assess both its strengths and its weaknesses and to help readers learn in the process how Willimon can be a model of what to do and at times what not to do in the pulpit Written with the needs of practicing preachers in mind this book will make a significant contribution not only to understanding a great preacher but also to preaching itself

The Collected Sermons of William H. Willimon William H. Willimon, 2010-01-01 William H Willimon one of the most respected voices in the pulpit today has been inspiring congregations and their leaders for decades This marvelous collection of sermons mined from Willimon's earliest pastorates through his time as Dean of the Chapel at Duke University to his current calling as a Presiding Bishop of the United Methodist Church provides a fascinating and inspiring look at this master preacher Ordered chronologically and with an index of scriptural references this collection will be a source of inspiration and education for decades to come

The Sermon without End Ronald J. Allen, Prof O. Wesley Allen JR., 2015-10-20 A New Model for Post Apologetic Preaching in a Pluralistic World The relationship between preaching and the public sphere has long been debated Three different theological approaches tend to dominate the discussion In different ways these approaches take into account the movement from the modern mindset of the mid to late 20th century to the emerging postmodern worldview In *The Sermon without End* authors Allen Allen thoughtfully offer a fourth option one that in their view has not received much attention but which offers a distinct and especially helpful perspective It is a new and dynamic conversational model reaching beyond the earlier work of Tillich and Tracy In this homiletical framework conversation takes place in multiple directions between the text or tradition and the world today It is preaching in conversation not just toward but with voices from the public sphere The book

provides a solid foundation for understanding this post apologetic approach but it importantly goes on to offer practical real pulpit guidance for implementation in a preaching ministry It is a book for both scholars and practicing preachers who wish to reach people in meaningful and significant ways and in ways that make sense for today This book deserves to be widely applauded It provides a post apologetic lens to illuminate the history of various modern homiletical discourses even as it envisions a postmodern one I strongly recommend this book for homileticians preachers and lay people alike Duse Lee Boston University School of Theology Reviewed in Homiletic **Preaching Must Die!** Jacob D. Myers, 2017-10-18 The real question for homiletics in our increasingly postmodern post Christian contexts is not how we are going to prevent preaching from dying but how we are going to help it die a good death Preaching was not made to live At most preaching is a witness a sign a crimson X marking a demolition site The church has developed sophisticated technologies in modernity to give preaching the semblance of life belying the truth preaching was born under a death sentence It was born to die Only when preaching embraces its own death is it able to live This book then is a bold homiletical manifesto against preaching in support of preaching and beyond preaching to the entire worship experience It troubles modern homiletical theologies in light of the trouble always already at work within preaching Hereby it supports a way of preaching and teaching preaching that moves counter to the wisdom of this world It aims to joins in God s self revealed counterlogic of superabundance that saturates and thereby breaks open worldly systems of thought and practice The purpose of this book is to expose preaching to its own death to help it embrace its death so that it can discover what eternal and abundant life might look and feels like

Preachers Dare Bishop William H. Willimon, 2020-10-06 Preachers Dare is adapted from Will Willimon s Lyman Beecher Lectures on Preaching at Yale and is inspired by a quote from the great theologian Karl Barth In a world in which sermons too often become hackneyed conventional wisdom or tame common sense preachers dare to speak about the God who speaks to us as Jesus Christ Willimon draws upon his decades of preaching as well as his many books on the practice of homiletics to present a bold theology of preaching This work emphasizes preaching as a distinctively theological endeavor that begins with and is enabled by God God speaks preachers dare to speak the speech of God and the church dares to listen By moving from the biblical text to the contemporary context preachers dare to speak up for God so that God might speak today With fresh biblical insights creativity and pointed humor Willimon gives today s preachers and congregations encouragement to speak with the God who has so graciously and effusively spoken to us **Conversations with Barth on Preaching** Bishop William H. Willimon, 2010-09-01 One of today s greatest preacher theologians engages one of the twentieth century s greatest teacher theologians on the meaning of preaching Readers of William H Willimon s many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth s work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the

great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well *Stories by Willimon* Bishop William H. Willimon, 2020-02-04 Will Willimon is known and read throughout the world for his riveting edgy witty and provocative stories or parables His most beloved memorable and impactful stories are presented in this collection The Stories of Will Willimon will expose readers to joy agony thankfulness greed trust fear healing suffering laughter weeping yearning irony hatred and love Readers may see themselves or their friends at times in these stories Fellow storytellers are likely to retell these stories to friends family colleagues and churches Preachers will find illustrative materials to support their sermons and all readers will be inspired by the insights into the Christian faith provided **Who Lynched Willie Earle?** Bishop William H. Willimon, 2017-02-07 Pastors and leaders long to speak an effective biblical word into the contemporary social crisis of racial violence and black pain They need a no nonsense strategy rooted in actual ecclesial life illuminated in this fine book by a trustworthy guide Will Willimon who uses the true story of pastor Hawley Lynn's March of 1947 sermon Who Lynched Willie Earle as an opportunity to respond to the last lynching in Greenville South Carolina and its implications for a more faithful proclamation of the Gospel today By hearing black pain naming white complicity critiquing American exceptionalism civil religion inviting challenging the church to respond and attending to the voices of African American pastors and leaders this book helps pastors of white mainline Protestant churches preach effectively in situations of racial violence and dis ease Surprised by Jesus Again Jason Byassee, 2019-06-04 A bold historical robust approach to reading Scripture and encountering Jesus anew No one expects to be surprised Yet biblical interpretation can do exactly that Christians expect to see Jesus as they read the Bible but when and how Jesus actually speaks through Scripture can still surprise us Drawing on the early church's theological giants Origen Augustine Gregory the Great and more from the historical cloud of witnesses author Jason Byassee models how we can recover ancient Christians multiple ways of reading the Bible to our benefit As Byassee says God himself is Jewish Catholic and Pentecostal so much larger than our own little corner on the truth and this book offers readers a refreshingly enhanced vision of the Bible and of Jesus himself
