A Practical Guide To Community Ministry:

A Practical Guide to Community Ministry A. David Bos, 1993-01-01 How does a congregation best serve its own neighborhood This practical guide for congregations and parishes addresses this question by reviewing the growth of the ecumenically oriented community ministry movement in recent years David Bos believes the typical community ministry rising from that movement possesses three vital and energizing characteristics it is congregation based and very local it is a social ministry that sees issues through the prism of its own community and it is ecumenical He focuses on community ministry as a particular way of ministering to society in which congregations of more than one denomination and of a particular locality neighborhood small town rural county share goals and resources Bos sees community ministry as a local social ministry in which congregations respond in faith hope and love to the neighborhood town or rural county that they have as an immediate context for ministry

Church on the Move G. Travis Norvell, 2022 G Travis Norvell challenges church leaders and members persistently asking them and their respective churches what they are doing to make a real difference in others lives The author proposes that the people of the living church start moving in around and with their communities to truly move toward renewal and social justice drawing on his own experiences as a church pastor who walked rode his bike and took the bus as he went about his work The book provides concrete practical ways for the church body and individuals to begin implementing this movement including study questions suggested resources and experiments between chapters that can help them find the ways that work best in their respective contexts

A Practical Guide to Community Social Work Practice in the UK Colin Turbett, 2024-09-03 There has been a rebirth of interest in bringing community back into social work but what does community social work mean when applied to practice What are the opportunities in a landscape dominated by shrinking budgets with their attendant procedural and risk obsessed assessment and care management models In this accessibly written book Colin Turbett explores the erratic history of community social work He goes on to demonstrate through contemporary examples how this preventative and relationship based model can work for the individuals and communities served and also provide an answer to the recruitment and retention issues adversely affecting mainstream settings

Church Doors Open Outward Dorothy B. Bloom, 1987 www.congregationalresources.org Richard Bass, 2004-12-30 An ever increasing number of resources compete for the attention of congregational leaders With a seemingly endless number of choices finding the best resource on a particular topic for a specific congregation is an often daunting challenge www.congregationalresources.org is an invaluable companion to the groundbreaking online version of Alban Institute's and Indianapolis Center for Congregations jointly researched and produced Congregational Resource Guide launched in 2001 and accessed by thousands of seekers each week The book conveniently and cogently puts the rich array of important resources into context by examining in depth the key books organizations Web sites and people that will help leaders gain an understanding of important issues facing their congregations The book features ten overviews of important

topics by widely recognized experts in their fields including Amy Sherman on Community Ministry Tom Fischer on Congregational Health Lee Ramsey on Preaching Paul Chaffee on Leadership John Janka on Evaluation and Jean Trumbauer on Lay Ministry Each essay is accompanied by an annotated list of selected resources for researching further information Helpful guides for using these valuable resources to promote and encourage congregational understanding and transformation are also included *Compassionate Community Work* Dave Andrews,2025-04-28 In this easy to use introductory textbook Dave Andrews combines the fruit of his practical experience over many years as a community worker with the best practice currently being taught at college level It can be used for self study as a resource for church based mission training for study at seminary or by extension and it complements existing courses that do not consider the implications of a Christian world view *The Care of Men* Christie Cozad Neuger,James Newton Poling,1997 Authors Neuger and Newton Poling explore the various crises afflicting men today Changing role expectations gender expectations and diminishing economic opportunities force men to find new foundations for self esteem and identity **Rising Expectations** Arthur Emery Farnsley,2003 Rising Expectations examines the current attempts to enlist religious congregations as partners in social services and community development It highlights stark demographic realities about urban congregations in order to challenge current assumptions about welfare reform and to encourage realistic expectations for the future Both governmental officials and civic leaders are calling on religious congregations to become more active partners in social welfare reforms especially through Charitable Choice Based on research conducted in Indianapolis Indiana Farnsley examines the context for those changes and evaluates the current and potential role for congregations as community development agencies and social service providers Farnsley begins with an assessment of congregations seen as one interdependent piece in a complex urban environment He then deals with the three basic assumptions about congregations that drive contemporary faith based reforms How well do congregations know their neighbors Is smaller better and Can congregations impart values Finally the book considers plans for future implementation or expansion of reform Not Religion but Love Dave Andrews,2012-02-01 In his acclaimed book Christi Anarchy Dave Andrews explored the ugly ruins of Christian history and outlined the radical vision of Jesus for personal and community renewal In Not Religion but Love he shows how that vision can become a reality With poignant real life stories drawn from his Brisbane backyard Dave Andrews gives us a practical guide to working out Jesus agenda for love and justice in our own lives and neighborhoods Complete with group exercises and an ample collection of extra resources for study Not Religion but Love is a book to read at your own risk it might change your life Subject Guide to Children's Books in Print 1997 Bowker Editorial Staff,R R Bowker Publishing,1996-09
