Authority Abusers George Bloomer, 2008-02-26 What happens when authority is abused Imagine our nation without police officers Imagine our lives without the protection of the badge Imagine traveling without stop signs traffic signals and roadside warnings Imagine no violations no punishments a grade school playground without rules a government without leaders You might as well imagine the earth without gravity because without authority there would be chaos But what happens when authority is misused Or worse what happens when spiritual abuse is written off as authority As surely as the absence of authority produces chaos the abuse of authority produces destruction Countless people have fallen victim to the manipulation of power and authority Lives have been warped forever marriages have been destroyed women and children have been abused and husbands and fathers undermined within the boundaries of their home Also tragically it is inside the church where salvation healing freedom and love should abound that some of the worst authority abuse takes place God's design for authority has been misunderstood twisted and manipulated leaving innocent people as victims and prisoners of controlling abusive situations The wounded and weak have been preyed upon and the guilty have been frightened into submission by leaders who use people to improve their own self esteem or advance their careers Wake up This is not God's design for the church or authority In this book Bishop George Bloomer discusses God's true design for authority Why people abuse authority The effects of authority abuse in the home How to recognize an authority abuser God's restoration plan for the abused and the abuser The key to breaking free from the bondage of spiritual abuse
