Auto Eroticism Kegan Paul Library Of Sexual Life:

A History of Prostitution George Ryley Scott,2014-01-21 This scientific survey of history of prostitution from antiquity to the twentieth century is one of the first comprehensive studies of this sociological phenomenon of our time George Ryley Scott writes this treatise in reaction to the lack of literature on the subject at this time dismissing the only volumes available as outdated fragmentary or prejudiced as they were often sponsored by reformist groups Thus Scott presents us with a refreshingly honest and nonbiased view of prostitution as it was throughout history up until its first publishing in 1936

Sex And Sex Worship Otto Augustus Wall,2014-06-03 Sex is at the very heart of life and this classic illustrated study of sex its nature and function and its influence on art science architecture and religion contains a wealth of information on sex beliefs practices and worship in other cultures and periods of history stretching back to ancient times Drawing on a wide range of sources including private collections of erotica Wall shows how people in other times and places have dealt with the timeless themes of sexuality male female love passion lust desire and worship dealing with sex as a private practice and also as public celebration This edition first published in 2006 Routledge is an imprint of Taylor Francis an informa company

The Scented Garden Bernhard Stern,2013-08-21 First published in 2008 This encyclopaedic book details the sexual practices and perversions of peoples and cultures throughout the work Topics include love and love charms rental marriages the bridal night of a princess the sexual lexicon chastity and the feeling of shame onanism and artificial instruments public prostitution and the sex act

Bundling Henry Reed Stiles,2012-11-12 First published in 2006 In this famous survey of pre martial courting customs in early America Stiles traces the origin progress and decline of bundling in America He proves that bundling a custom brought to American by the Puritans was common at various times in many lands as far back as ancient Rome and that it arose out of real need rather than licentiousness Controversial at the time this book was banned in Boston when it was first published

Journal of the History of Sexuality ,2004 **Subject Index of the Modern Works Added to the British Museum Library** British Museum. Department of Printed Books,1927

Documents of Life 2 Ken Plummer,2001-03-20 Documents of Life was originally published in 1983 and became a classic text providing both a persuasive argument for a particular approach and a manifesto for social research As a critique of anti humanist methodology in the social sciences it championed the use of life stories and other personal documents in research which are now widely used today This book is a substantially revised and expanded version which takes on recent developments

Providing numerous illustrations from a range of life documents the book traces the history of the method examines ways of doing life story research and discusses the many political and ethical issues raised by such research The whole book has been substantially re written and

Psychology for Nurses Mary Chadwick,1925 **The Complexity of Trauma** Luisa Zoppi,Martin Schmidt,2024-10-10 This important volume offers a broad and in depth overview of how to understand and treat trauma from a Jungian perspective written by internationally recognized experts in the field of Jungian and traditional

psychoanalysis It applies C G Jung s concept of the complex and his understanding of splitting processes of the psyche to trauma Traversing a range of pertinent themes including archetypal defences primary narcissistic wounding somatic symptoms symbolic representation and processing transference and types of memory the book features a variety of voices from different theoretical perspectives with each contributor offering clinical examples and lessons from their experiences working with patients Chapters cover a wide range of clinical phenomena including early relational trauma dissociative states the Self care System unconscious communication embodied countertransference eroticization PTSD creativity and cultural social issues The Complexity of Trauma is key reading for psychoanalysts and therapists as well as for researchers students and trainees in schools of psychodynamic psychotherapy and those interested in working with trauma
