Automatic Exchange Betting Automating The Betting Process From Strategy To Execution:

Automatic Exchange Betting Colin Magee, 2007-12 The past decade has seen a technological revolution in facilities for betting on horse racing and other sports Today the leading betting exchange Betfair matches 15 times as many daily transactions as the London Stock Exchange Automatic Profits examines this exciting phenomenon defining each stage of automating the betting process and looking at opportunities best practice and pitfalls and provides a practical guide for any player who wants to explore the potential for automatic betting

Sports Betting: Law and Policy Paul M. Anderson, Ian S. Blackshaw, Robert C.R. Siekmann, Janwillem Soek, 2011-10-28 Gambling is a significant global industry which is worth around 0.6% of world trade that is around US 384 billion and gambling on the outcome of sports events is a very popular pastime for millions of people around the world who combine a bet with watching and enjoying their favourite sports But like any other human activity sports betting is open to corruption and improper influence from unscrupulous sports persons bookmakers and others Sports betting in the last ten years or so has developed and changed quite fundamentally with the advent of modern technology not least the omnipresence of the Internet and the rise of on line sports betting This book covers the law and policy on sports betting in more than forty countries around the world whose economic and social development history and culture are quite different Several chapters deal with the United States of America This book also includes a review of sports betting under European Union EU Law The book appears in the ASSER International Sports Law Series under the editorship of Dr Robert Siekmann Dr Janwillem Soek and Marco van der Harst LL M

Automatic Exchange Betting Colin Magee, 2011-01-27 The past decade has seen a technological revolution in facilities for betting on horse racing and other sports From the proliferation of online information to the advent of betting exchanges it is now possible to analyse form and betting odds run selection systems place bets and track results electronically Automatic Exchange Betting examines each stage of the betting process and shows how it can be automated with numerous examples applied to horse racing all implemented using the Betfair API
