Autocar, 2006 **BMW 3-Series 50 Years** Tony Lewin, 2025-11-04 Trace the 50 year success story of BMW's 3 Series in this luxuriously produced and stunningly illustrated volume. From its launch in 1975 with the 316, the 3 Series has moved from strength to strength, defining what it means to be a performance sedan, coupe, wagon. Beloved by enthusiasts worldwide, it is the series benchmarked by all other manufacturers. Whether daily driven, tracked or raced, BMW's 3 Series delivers the goods. BMW 3 Series 50 Years charts the 3 Series design and technical evolution from the 1970s to today, from the clean classic two-box design of the E21 and E30 to the handsome E46 to today's sophisticated G20. The book features a detailed history of the BMW 3 Series by automotive historian and industry analyst Tony Lewin. First person interviews with key designers and engineers. Photography from BMW's archive as well as commissioned contemporary photography. Sidebars diving into interesting stories covering design-related models like the Z cars and the collector perspective. The 3 Series is a performance and competition story as well, with no car more storied or critical to BMW's reputation than its vaunted M3. Racing and M3s play out across the book's chapters, providing a performance perspective across the 3 Series 50 years. With decades of showroom performance and competition success, BMW's 3 Series in all its permutations shows no signs of slowing down. BMW 3 Series 50 Years details the full story in a lively volume deserving space in every enthusiast's collection.

Devil's Peak Deon Meyer, 2024-09-24 A South African detective races to catch a vigilante killer preying on dangerous criminals in this gripping thriller. One of the sharpest and most perceptive thriller writers around, The Times UK, a young woman makes a terrible confession to a priest. An honorable man takes his own revenge for an unspeakable tragedy. An aging inspector tries to get himself sober while taking on the most difficult case of his career. From this beginning, Deon Meyer weaves a story of astonishing complexity and suspense as Inspector Benny Griessel faces off against a dangerous vigilante who has everything on his side, including public sympathy. A gruesome abuse case has hit the newsstands, and one man has taken it upon himself to stand up for the children of Cape Town. When the accused is found stabbed through the heart by spear, it's only the beginning of a string of bloody murders and of a dangerous dilemma for detective Griessel. The detective is always just one step behind as someone slays the city's killers. But the paths of Griessel and the avenger collide when a young prostitute lures them both into a dangerous plan, and the two find themselves with a heart-stopping problem that no system of justice could ever make right. Complex, finely wrought characters, keen psychological insight, and a compelling plot lift this crime novel. This book is easily Meyer's finest effort to date.
