Children of the Book Ilana Kurshan,2025-08-26 A mother's celebration of the power and wonder of lifelong reading
Zibby Owens *My Most Anticipated Books 2025* In *Children of the Book* Ilana Kurshan reveals how literature weaves an invisible thread through the tapestry of family life Kurshan a mother of five living in Jerusalem struggles to balance her passion for books with her responsibilities as a parent Gradually she learns how to relate to reading not as a solitary pursuit and an escape from the messiness of life but rather as a way of forging connection and teaching independence Introducing her children to sacred and secular literature including the beloved classics of her childhood she becomes both a better mother and a more compassionate reader Chief among the books Kurshan reads with her children is the Torah whose ancient wisdom illuminates her family's path Structured in five parts corresponding to the first five books of the Bible this memoir traces the profound parallels between the biblical narrative and the daily rhythms of parenthood from the first picture books that create the world through language for little babies to the bittersweet moment our children begin reading on their own leaving us behind atop the mountain as they enter new lands without us A luminous meditation on how shared stories become the foundation for family bonds *Children of the Book* celebrates a life richly lived through literature *Memoir of Christopher Healy, Principally Taken from His Own Memoranda* Christopher Healy,1886 **Love, Please** Susan Hayman-Chaffer,2013-02-01 *Love Please* is a memoir of a timeless love story between a man and a woman from opposite sides of the world They meet in Tokyo when she is there on tour and each immediately realizes they are soul mates Their story unfolds over a period of seventeen years from the mid seventies to the early nineties chronicling the extraordinary adventure of their lives together Satoru Oishi is a architect and sculptor who works with Jasper Johns and Phillip Johnson Susana Hayman Chaffey is a soloist with the Merce Cunningham Dance Company The backdrop is their Manhattan loft from which they travel around the world making a living any way they can and learning about life through dramatic often humorous ups and downs It is a voyage of love between two people their families friends and children It encourages and inspires us to keep faith in the midst of what seems to be an impossible life journey proving that with courage and determination anything can be accomplished It is a human story told simply and honestly about life and love **The novels of Tobias Smollett. To which is prefixed, a memoir of the life of the author [by sir W. Scott** Tobias George [novels] Smollett,1821 *A Memoir of the Life and Times of the Rev. transformational power of music It begins with a boy growing up in a small town on the Kent coast in the 1970s who learns to play the guitar and dreams of heading out on the open road with a head full of songs But when the moment comes to make the choice he is not brave enough to try and do it for a living Time passes but the desire to explain the world through music never goes away And as the years go by it gets harder and harder to risk looking like a fool of doing the very thing he would most like to do of actually being himself Eventually thirty five years later when it feels like time is running out he walks out onto a stage in front of 500 people and begins to sing again What follows is an extraordinary period of self discovery as he plays pubs clubs theatres and festivals overcoming anxiety to experience the joy of performance *Taken for Wonder* Naghmeh Sohrabi, 2012-05-17 *Taken for Wonder* focuses on 19th century travelogues authored by Iranians in Europe and argues for a methodological shift in the way scholars interpret travel writing *Welcome to Wherever We Are* Deborah J.
