A Memory Returned Anna Delves, 2011-12-14 Anna lost her eldest son unexpectedly in a tragic accident in July 2008 In her search for answers she started to receive life changing revelations from her son from the other side These revelations enabled Anna to understand how our world was created and taught her to heal at the very deepest level The fascinating story unfolds from the days that Anna spent communicating with her unconscious son as he lay dying in hospital through to her incredible recent experiences in Peru Her three year journey has given her insights that are massively changing her life and the lives of all who visit her Anna did not know why she was being sent to Machu Picchu As her trip drew near she made her plans in total trust that she was serving for the highest good However what unfolded in Peru was beyond even her expectations and brought this book to an astonishing conclusion Anna's story is unique and well worth reading Her insights will catapult you into a new phase of your life journey speeding your own personal healing to a much deeper level and helping you understand much that you did not understand before For those wishing to ascend in this lifetime this book will be very helpful For those simply searching for an understanding of how we all come to be here this book will throw much light on the subject This is a very readable book once started will be difficult to put down *A Memory Returned* Louisa Crisp, 2024-10-21 As a result of a climbing accident Louisa Crisp was faced with the sudden and unexpected loss of her eldest son In her shock and grief she began a search for answers Soon she started to receive life changing revelations coming directly from her son Dom The information she accessed offered solutions to vast cosmic and human mysteries How and why our world was created and how we came to attain individual consciousness These new insights initiated inner and outer journeys to explore healing at its deepest level *A Memory Returned* presents a thrilling narrative from the days that Louisa spent communicating with her unconscious son as he lay dying in hospital to her travels to the enigmatic Lost City of the Incas Machu Picchu where she came to channel ancient memories When Louisa first felt the urge to travel to South America she had no idea why but was ready to serve the highest good What then followed in Peru was beyond any expectation bringing this book to an astonishing conclusion Since her personal tragedy Louisa has gained many insights that continue to change her life The gift of discernment that came with the new perceptions allows those who meet her to change too Through her help they have been able to enter deeper phases of their life's journey unveiling fresh self knowledge and permanent healing This book can guide readers on their own voyage of personal discovery revealing the root causes of individual challenges *The Alpha and the Omega* Louisa Crisp, 2023-04-21 Drawing on scores of deep memories from her many clients Louisa Crisp shows that we can be free By shedding negative emotions traumas and conditioning we shine from the Divine essence that lives within This inextinguishable light cannot be taken from us yet many are choosing to live in fear and judgment in separation *The Alpha and the Omega* takes us on a breath taking journey from the moment our cosmos began to the present day revealing the cause of separation and the beginning of duality The second part of the book focuses
