A Model For Work Based Learning

Talbot, Jon

A Model For Work Based Learning:

Work-Based Learning Joseph A. Raelin, 2008-02-13 Work based learning is Joe Raelin's unique way of incorporating a number of action strategies such as action learning action science and communities of practice into a comprehensive framework to help people learn collectively with others In this thoroughly updated and revised edition he demonstrates how to engage our reflective powers to challenge those taken for granted assumptions that unwittingly hold us back from questioning standard ways of operating A well known popular author Joe is an avid student of the many traditions that support work based learning so he presents an inclusive model that has wide appeal across disciplines and occupations He provides readers with the most recent updates in the field such as his coverage of virtual team learning portfolios multisource feedback critical and global action learning and changes in educational policy Whether you're an organizational or college educator this book will help you make learning accessible to everyone and even contagious within your organization

A Model for Work-based Learning Belle Y. Alderman, Patricia Milne, 2005 Work based learning in which professional work experience is closely integrated with professional study now forms an important part of many courses in tertiary institutions A Model for Work Based Learning offers a plan designed to enhance the professional experience through facilitated mentoring and reflective learning and is based on an internship that has proven highly successful over the last ten years at the University of Canberra This strategy which features collaborative teaching and learning is applicable to other professional courses within tertiary environments Part 1 describes the research base for all aspects of the model and shows how a program based on the theoretical model can be implemented bringing together facilitated mentoring and theory Part 2 contains a range of activities that can be used by educators during all aspects of the work experience from preparing students and mentors through assisting the student's move into the professional workforce The conclusion explores the crucial success factors of the work based learning model This volume is an invaluable guide to educators and mentors in the workplace
