A Persistent Peace John Dear, 2010-06 John Dear SJ believes that social activism and faith are inseparable Acting in the name of the nonviolent Jesus Dear has been arrested more than seventy five times has spent more than a year of his life in jail and has been mocked by armed U S soldiers standing outside the doors to his New Mexico parish *A Persistent Peace* John Dear s autobiography invites readers to follow the decades long journey of social activism and spiritual growth of this nationally known peace activist and to witness his bold decisive often unpopular actions on behalf of peace From his conversion to Christianity to his calling to become a Jesuit to the extreme dangers and delights of a life dedicated to truly living out the radical forgiving love of Jesus John s incredible story of social activism will touch anyone who believes in the power of peace

A Faith Not Worth Fighting For Tripp York, Justin Bronson Barringer, 2012-05-17 In *A Faith Not Worth Fighting For* editors Justin Bronson Barringer and Tripp York have assembled a number of essays by pastors activists and scholars in order to address the common questions and objections leveled against the Christian practice of nonviolence Assuming that the command to love one s enemies is at the heart of the Gospel these writers carefully faithfully and no doubt provocatively attempt to explain why the nonviolent path of Jesus is an integral aspect of Christian discipleship By addressing misconceptions about Christian pacifism as well as real life violent situations this book will surely challenge the reader s basic understanding of what it means to be a follower of Jesus

The Power of Blessing David Timms, 2010-10-01 Words positive or negative carry enormous potential to create or destroy It s always been that way ever since God said Let there be The *Power of Blessing* explores the timeless words of Jesus in the Beatitudes and takes readers on a journey into the extraordinary world of blessings It shows them how to use words to heal rather than wound as well as how to bless their loved ones more effectively Readers looking for a way to jump start their relationships will find the key in this book of blessings

Divine Rebels Deena Guzder, 2011-05 In an effort to reclaim the fundamental principles of Christianity moving it away from religious right wing politics and towards the teachings of Jesus the American Christian activists profiled in this book agitate for a society free from racism patriarchy bigotry retribution ecocide torture poverty and militarism These activists view their faith as a personal commitment with public implications their world consists of people of religious faith protecting the weak and safeguarding the sacred Recounting social justice activists on the frontlines of the Christian Left since the 1950s including Daniel Berrigan Roy Bourgeois and SueZann Bosler this book articulates their faith based alternative to the mainstream conservative religious agenda and liberal cynicism and describes a long standing American tradition which

began with the nation's earliest Quaker abolitionists [Building a Culture of Peace](#) Paul R. Dekar, 2010-01-01 Around the world thousands of grassroots movements are confronting issues like destruction of the environment economic depression human rights violations religious fundamentalism and war This book tells the courageous story of one such group Organizing in 1939 Northern Baptists formed the Baptist Pacifist Fellowship as part of the Fellowship of Reconciliation Southern Baptists formed a parallel body Like today it was a time when sources of hope seemed hard to find Discerning a need to support and connect Baptist conscientious objectors in the United States members faced hostility in congregations and the nation For the duration of the Second World War the Korean War war in Vietnam and elsewhere Baptists sustained a witness for peace and justice By 1984 threat of nuclear weapons led to formation of a wider circle of resistance to the culture of war Subsequently the Baptist Peace Fellowship of North America has brought together Baptist peacemakers from around North America and the world However small in numbers or reviled members have been building a culture of peace through an interracial and international community This book is an invaluable resource for those seeking a new world of forgiveness respect for human rights nonviolence and peace **The Gospel of Peace** Dear, John, 2023-11-10 A comprehensive commentary of the synoptic gospels from the perspective of nonviolence [Slingshot to the Juggernaut](#) Sander Hicks, 2012-05-15 In the ten years since 9 11 a grassroots truth movement has sprung up that unites the best elements of the right and left The call to resist the secrecy imperialism and the manipulation of the elite has been heard by a wide spectrum of people across religious and political lines This is a revolutionary moment that has lacked a clarifying manifesto Until now Pulling from his personal confrontations with the FBI Rudolph Giuliani Eliot Spitzer and Dick Cheney activist maverick and investigative reporter Sander Hicks reaches for a broader understanding of who was behind the 9 11 attacks He reports the mysterious murder of Dr David M Graham a Shreveport dentist who met two of the 9 11 hijackers but was then harassed by the FBI and poisoned Scientific evidence leads him to take a hard critical stance against Bush Cheney and the 9 11 Official Story Weaving evidence with anecdote Slingshot to the Juggernaut is an inspiring ride into the 9 11 cover up and the revolutionary possibilities it inadvertently created Provocative and unyielding Hicks examines the evidence draws conclusions and offers a vision for the future of the United States **Theology as Autobiography** Colby Dickinson, 2020-03-17 Autobiographical writings on faith frequently come from the lives of ordinary persons whose struggles with faith are often lived at the margins of the church academy and society Yet these voices have the potential to reshape the ways in which each of these fields function To find out what it means to stand before God with all of one's humanity on display is to engage in not only the act of confession but to demonstrate a bold theological reflection that needs to be more explicitly understood By turning to spiritual autobiographies as theological source texts we learn to place our emphasis where it matters most on the people whose lives of faith move us deeply and cause us to re-examine our own lives in light of their witness Moving through a range of ancient early modern and contemporary spiritual writers in order to demonstrate a

profound connection that unites them all this book portrays how a critical self examination of one s most personal internal fractures our poverty as it were is the only way to develop a life of faith the dual meaning of the word confession which expresses both a revealing of one s sins or brokenness and the articulation of what one believes *Landmark Speeches on US Pacifism* Susan Schultz Huxman,2015 United States peace rhetoric is courageous diverse challenging persuasive and woefully under exposed This collection of landmark speeches in peace gives overdue scholarly notice to key figures on the American peace scene politicians athletes journalists preachers movement leaders scientists doctors academics etc who have given vibrant authentic voice and rhetorical significance to the important peace tradition in the United States from World War I until today
