A Name On A Wall Two Men Two Wars Two Destinies:

A Name on a Wall Mark Byford, 2013-11-07 An unusual coincidence occurred early one morning at the most visited war memorial in the United States as a shaft of sunlight hit one of the 58 282 names on the Vietnam Veterans Memorial The name was Larry Byford So begins a unique personal journey to discover the story of the name on the wall Travelling more than 30 000 miles from east Texas to Vietnam Mark Byford learns about the lasting impact on Larry's siblings friends and the comrades who were there with him on the day he died in the summer of 1967 He pinpoints why that time became the turning point of America's most divisive war of the twentieth century A Name on a Wall is a gripping true story that focuses on duty heroism and fate We learn not only about the tragic loss of Larry Byford a draftee rifleman in Vietnam but also the contrasting war story of the author's own father Lawry Byford a draftee from Yorkshire for whom the Second World War became the springboard for a new life filled with opportunities Forty years after the final American combat troops left Vietnam thirty years after The Wall was built to heal a nation and in the light of the recent controversial wars in Iraq and Afghanistan what lessons if any have been learnt through the ultimate sacrifice of the name on a wall

The Fate of Holocaust Memories C. Roth, 2008-09-15 An innovative mix of history and psychological research this book tells the story of one family of Holocaust survivors and reveals how each generation has passed on memories of the War and the Shoah to the next

The Family Herald ,1852 **The Works of Ralph Waldo Emerson** Ralph Waldo Emerson, 1924 **Fate of Irish Sons** Mark Mayfield, 2001 Though Sean O Hanlon was a United States Navy SEAL and considered himself American above all else he was irrevocably tied to the land of his birth Bound to an ancient land its history and its people by a seemingly cruel fate Sean struggles to make sense of the legacy left to him by successive generations of O Hanlons He sacrificed everything to become a SEAL like his father before him However once the Trident was won he begins to doubt then curse the choices he has made in his life He longs for the life he could have had with his precious Maggie Their love transcended their own mortality yet whether by God's design or his own ill choices they could never be together And so Sean is commanded to his fate embarking on a journey that takes him from the troubles in Northern Ireland to the jungles of South East Asia From sunny California beaches to the wind swept mountains of northern Iran and from the polished corridors of the Pentagon to the cool morning skies above the Iraqi desert Like pieces of a puzzle every turn in his life is an integral part of a prophetic equation Trained as a Navy SEAL he is an expert in the special warfare arena And in the flooded tunnels of Cambodia he learns first hand about the horrors of biological weapons Ultimately the final piece of the puzzle leads Sean back to where it all began his native Derry A terrorist holds the United Kingdom hostage with the threat of releasing a deadly virus And only Sean O Hanlon knows where to find him and how to stop him Through it all he strives to make his own destiny only to succumb time and time again to an unyielding fate the fate of Irish sons

Book Two: The Dirty War Paul Michael Dubal, 2014-12-15 Disgraced former political correspondent Harry Clarke has witnessed the collapse of democracy in Britain Prime Minister Lance Pelham controls a despotic right wing regime intent on eliminating all immigrants in the country Deportation camps have been set up nationwide and conditions are appalling made worse by a virulent and deadly disease sweeping through the camps Following a disastrous attempt to rescue his family from one camp Harry is forced to flee and try to escape the country Pursued by the State Secret Police as one of the most wanted men in Britain and enduring devastating personal tragedy he survives to discover the chilling truth about the barbarity of Pelham's administration But there is hope and Harry finds himself at the epicentre of a new and covert war against the nation's brutal leadership the voice of the underground resistance Harry's personal hell reflects the rapid descent of a nation into brutal oppression tyranny and genocide on a scale never before seen in Britain As the country descends into anarchy riven by sectarian strife the corridors of power are riddled with deceit and corruption but Pelham is prepared to destroy all opposition with an iron fist In the age of social media however the propaganda war is an influential tool With world opinion turning against Britain's dictatorial leaders Pelham's grip on power is slipping and Deputy P M Giles Chamberlain sees an opportunity to manipulate the crisis to satisfy his political ambitions The second book in the series takes the reader on a shocking disturbing but ultimately compelling journey into a nation that has closed its borders and terrorized its citizens The high octane thrills and portrayal of the horrors of a far right wing regime out of control is unnerving in its intensity more so because of its parallels with history which has taught us that man never learns from past mistakes **Fate, Glory, and Love in Early Modern Gallery Decoration** Margaretha Rossholm Lagerlof, 2017-07-05 Analysing the decorative programmes of the most opulent European palaces of the time Margaretha Rossholm Lagerlof investigates how meaning was conveyed through display and visual effects She explores the visual meaning inherent in the scheme of spatial relations in effects of scale perspective lighting figures positions and postures and in relations among image types The analysis concerns the interrelations of various kinds of images in the ensembles the relations between images and physical site and the address to the beholder Lagerlof considers the visual impact of the imagery in conjunction with readable or symbolically coded meanings thus the study does not merely subject these decorations to formalist aesthetic principles She shows the visual meaning generally to sustain the verbal or readable messages but often in subtle ways extending or elaborating the meaning Occasionally the visual meaning comes forth as an undercurrent or complication deviating from the proclaimed and symbolic meaning *Fate Glory and Love in Early Modern Gallery Decoration* contributes to the body of scholarship on visual rhetoric and on how images act out their messages *The Heirs of Fate* Susan Wilson Younkins, 2006-06-01 The Legends of King Arthur what if Mallory got it wrong What if the ancient script used by Troyes contained translation errors What if the monks in the middle ages forgot to transpose the nouns and adjectives in the ancient Latin texts and what should have read *rotunda* on the plateau instead came out as the nonsensical round table *The Heirs of Fate* unscrambles the puzzle and turns the
